### A RESOLUTION AUTHORIZING THE ISSUANCE OF PUERTO RICO HIGHWAYS AND TRANSPORTATION AUTHORITY TRANSPORTATION REVENUE BONDS

WHEREAS, Act No. 74, approved June 23, 1965, as amended (hereinafter sometimes called the "Enabling Act"), created the Puerto Rico Highways and Transportation Authority (hereinafter sometimes called the "Authority") as a body corporate and politic constituting a public corporation and government instrumentality of the Commonwealth of Puerto Rico for the purpose of continuing the government program of providing highways and other means of transportation to facilitate the movement of vehicular traffic, relieve hazards and handicaps on the congested roads and highways of the Commonwealth and to meet the increasing demand for additional transportation facilities resulting from the continuing economic development of the Commonwealth of Puerto Rico; and

WHEREAS, by virtue of the Enabling Act, the Authority has, among others, the power

(i) to have perpetual existence as a corporation,

(ii) to have complete control and supervision of any Transportation Facilities owned, operated, constructed or acquired by it under the provisions of the Enabling Act, including without limitation the determination of the site, location, and the establishment, limit and control of points of ingress to and egress from such facilities, and materials of construction and the construction, maintenance, repair and operation thereof,

(iii) to have complete control and supervision over the character of and necessity for all of its expenditures and the manner in which they shall be incurred, allowed and paid without regard to the provision of any laws governing the expenditure of public funds,

(iv) to sue and be sued, complain and defend in all courts of justice and administrative bodies,

(v) to make contracts and to execute all instruments necessary or incidental in the exercise of any of its powers,

(vi) to determine, fix, impose, alter and collect tolls or ferriage, rentals, assessments, and other reasonable charges for the use of the Transportation Facilities owned, operated, constructed, acquired or financed by the Authority or for the services rendered thereby. In fixing or altering these charges the Authority shall take into account such factors as will promote the use of the Transportation Facilities owned or operated by it in the broadest and most varied manner economically possible. To fix or alter such charges the Authority shall hold a public hearing of an informative and quasi-legislative character, before the Authority Board, or before any official or officials that the Authority may designate for the purpose. Such hearings shall be announced reasonably in advance, stating the place and time of the hearing and the proposed charges or alteration,

(vii) to borrow money for any of its corporate purposes, and to issue bonds of the Authority in evidence of such indebtedness and to secure payment of such bonds and interest thereon by pledge of, or other lien on, all or any of its properties, revenues or other income, and subject to

the provisions of Section 8 of Article VI of the Constitution of the Commonwealth, pledge to the payment of said bonds and interest thereon, the proceeds of any tax or other funds which may be made available to the Authority by the Commonwealth,

(viii) to issue bonds for the purpose of funding, refunding, purchasing, paying or discharging any of its outstanding bonds,

(ix) to construct or reconstruct any traffic or transportation facility or any part or parts thereof, and any additions, improvements or expansions of any traffic or transportation facility of the Authority,

(x) to contribute to the development of a Transportation Plan and, under instructions of the Secretary of Transportation and Public Works, to establish and implement the necessary mechanisms in order to efficiently plan, evaluate and develop the highway and mass transportation system of the Commonwealth, and

(xi) to do all acts or things necessary or desirable to the carrying out of the powers granted to the Authority by the Enabling Act or by any other act of the Legislature of Puerto Rico; provided, however, that neither the Commonwealth of Puerto Rico nor any of its political subdivisions shall be liable for the payment of the principal of or interest on any bonds issued by the Authority and such principal and interest shall be payable only from the funds of the Authority pledged for such payment pursuant to clause (vii) of this preamble; and

WHEREAS, by virtue of the Enabling Act, the Secretary of Transportation and Public Works is authorized to enter into agreements with the Authority for the study, design, construction, repair, maintenance, acquisition of properties and easements, and any other matter necessary to carry out the purposes of said Act and the Authority is authorized to enter into agreements under which the Secretary of Transportation and Public Works agrees to pay in whole or in part, the cost of repairs, maintenance and operation of any traffic and transportation facilities financed under the provisions of the Enabling Act with funds of the Commonwealth covered into the public treasury; and

WHEREAS, pursuant to the Enabling Act the Authority has entered into an agreement with the Secretary of Transportation and Public Works pursuant to which the Secretary of Transportation and Public Works has agreed to pay the costs from general funds of the Commonwealth of Puerto Rico which are made available to him for that purpose, of maintaining, repairing and operating certain traffic and transportation facilities financed by the Authority in whole or in part by the issuance of bonds of the Authority under the provisions of the 1968 Resolution (hereinafter mentioned) and this Resolution; and

WHEREAS, by Subtitle B of Act No. 120, approved October 31, 1994, as amended, the proceeds of the sixteen cents a gallon tax imposed on gasoline and one half of the eight cents per gallon tax imposed on gas oil and diesel oil was allocated to the Authority for use for its corporate purposes and expressly authorized the Authority to pledge the proceeds of said sixteen cents a gallon and four cents a gallon tax received by it to the payment of the principal of and the interest on bonds or other obligations of the Authority or for any other lawful purpose of the Authority, the tax proceeds so pledged being subject to first being applied to the payment of interest and amortization of the public debt in accordance with the provisions of Section 8 of Article VI of the Constitution of Puerto Rico if needed therefor but only to the extent that the other available revenues of the Commonwealth referred to in said Section 8 are insufficient for such purpose; and

WHEREAS, by Act No. 9, approved August 12, 1982, the proceeds of the \$15 increase per vehicle of annual motor vehicle license fees imposed by the Commonwealth was allocated to the Authority for use for its corporate purposes and expressly authorized the Authority to pledge the

proceeds of said \$15 increase in fees received by it to the payment of the principal of and the interest on bonds or other obligations of the Authority or for any other lawful purpose of the Authority, the license fees so pledged being subject to first being applied to the payment of interest and amortization of the public debt in accordance with the provisions of Section 8 of Article VI of the Constitution of Puerto Rico if needed therefor but only to the extent that other available revenues of the Commonwealth referred to in said Section 8 are insufficient for such purpose; and

WHEREAS, the Authority for the purpose of continuing the government program of providing highways and other road improvements has heretofore borrowed money and issued its Highway Revenue Bonds, outstanding on the date hereof in the aggregate principal amount of \$2,411,955,000, under and pursuant to the provisions of Resolution No. 68-18, adopted by the Authority on June 13, 1968, as amended by supplemental resolutions of the Authority adopted on February 17, 1972, October 29, 1990, June 23, 1992, July 15, 1993 (effective September 8, 1993) and August 10, 1993 (said Resolution No. 68-18 as so amended, together with all future amendments and all resolutions supplemental thereto as therein permitted, being herein called the "1968 Resolution") said Highway Revenue Bonds being secured in part by a pledge of the proceeds of the taxes and fees allocated to the Authority by said Act No. 120 and Act No. 9; and

WHEREAS, by virtue of Act No. 1, approved March 6, 1991, the Authority was authorized to undertake transportation projects in addition to those for which Highway Revenue Bonds have heretofore been issued under the 1968 Resolution, including projects for mass transit and similar undertakings for the more efficient movement of people; and

WHEREAS, the 1968 Resolution states that nothing contained therein is to be construed as preventing the Authority from financing any facilities by the issuance of bonds or other obligations which are not secured under the provisions of the 1968 Resolution; and

WHEREAS, based upon surveys, estimates and recommendations, the Authority has found and determined that it is necessary and advisable to provide funds for additional highway and transportation facilities consistent with the broader powers granted to the Authority under said Act No. 1, and has determined that it is necessary to increase its capacity to issue revenue bonds secured as hereinafter provided to provide funds for the foregoing purposes; and

WHEREAS, by Act No. 34, approved July 16, 1997, as amended, the first \$120 million of annual proceeds of the tax paid for the use in Puerto Rico of crude oil, unfinished oils or end products derived from oil and any other hydrocarbon mixture was allocated to the Authority for use for its corporate purposes and expressly authorized the Authority to pledge the proceeds of said tax received by it to the payment of the principal of and the interest on bonds or other obligations of the Authority or for any other lawful purpose of the Authority, the tax proceeds so pledged being subject to first being applied to the payment and amortization of the public debt in accordance with the provisions of Section 8 of Article VI of the Constitution of Puerto Rico if needed therefor but only to the extent that other available revenues of the Commonwealth referred to in said Section 8 are insufficient for such purpose; and

WHEREAS, the Authority has determined to pledge the proceeds of the tax allocated to the Authority by said Act No. 34 to secure (with other revenues as hereinafter provided) such revenue bonds; and

WHEREAS, the Authority deems it advisable to make provision for the issuance from time to time of revenue bonds on a parity with the bonds issued initially under the provisions of this Resolution for any authorized purpose of the Authority; now, therefore,

BE IT RESOLVED by the Puerto Rico Highways and Transportation Authority:

provisions of the Resolution or Resolution No. 68-18, adopted by the Authority on June 13, 1968, as amended (the "1968 Resolution") (such bonds and the bonds being herein collectively called the "senior bonds").

All of the bonds are issued pursuant to Resolution No. 98-06 adopted by the Authority on February 26, 1998 (said resolution, together with all supplemental resolutions therein permitted, being herein called the "Resolution"), reference to which is hereby made for the provisions, among others, with respect to the collection and disposition of revenues, the funds charged with and pledged to the payment of the interest on and the principal of the bonds, the nature and extent of the security, the rights, duties and obligations of the Authority and of the Fiscal Agent under the Resolution and the rights of the holders of the bonds, and, by the acceptance of this bond, the Registered Holder hereof assents to all of the provisions of the Resolution. A certified copy of the Resolution is on file at the corporate trust office of \_\_\_\_\_, fiscal agent (said fiscal agent and any successor fiscal agent under the Resolution being herein called the "Fiscal Agent"), in the \_\_\_\_\_.

This bond is issued and the Resolution was adopted under and pursuant to the Puerto Rican Federal Relations Act and the Constitution and laws of the Commonwealth of Puerto Rico, particularly Act No. 74, approved June 23, 1965, as amended (said Act as amended being herein called the "Enabling Act"). The Resolution provides for the creation of a special fund designated "Puerto Rico Highways and Transportation Authority Transportation Revenue Fund" (the "Revenue Fund") and, subject to the limitations of the next two sentences of this paragraph, for the deposit to the credit of said special fund of all moneys received by the Authority (a) from the taxes on crude oil and derivative products heretofore allocated to the Authority by Act No. 34, approved July 16, 1997, as amended, (b) from the taxes on gasoline and gas oil and diesel oil heretofore allocated to the Authority by Subtitle B of Act No. 120, approved October 31, 1994, as amended, (c) from certain receipts of annual motor vehicle license fees allocated to the Authority by the Vehicle and Traffic Law of Puerto Rico (Act No. 141, approved July 20, 1960, as amended), (d) from any tolls or other charges imposed by the Authority for the use of any Transportation Facilities (other than until the 1968 Resolution is repealed and cancelled, any such Facilities financed under the 1968 Resolution and any extensions, improvements or betterments thereof however financed or otherwise paid for (such Facilities being herein called the "Existing Toll Facilities")) and (e) from the proceeds of any other taxes, fees or charges which the Legislature of Puerto Rico may allocate to the Authority and expressly authorizes the Authority to pledge to the payment of the principal of and interest on bonds or other obligations issued by the Authority and which are pledged by the Authority to the payment of the principal of and interest on bonds or other obligations issued under the provisions of the Resolution. The proceeds of the taxes on crude oil and derivative products so allocated to the Authority by said Act No. 34, the proceeds of the taxes on gasoline and gas oil and diesel oil so allocated to the Authority by said Act No. 120, the proceeds of the license fees so allocated to the Authority by said Vehicle and Traffic Law of Puerto Rico and any other taxes, fees or charges which the Legislature of Puerto Rico may allocate to the Authority are subject to first being applied to the payment of interest and amortization of the public debt in accordance with the provisions of Section 8 of Article VI of the Constitution of Puerto Rico if needed for such purpose, but only to the extent that other available revenues of the Commonwealth referred to in said Section 8 are insufficient for such purpose. The 1968 Resolution provides for the prior deposit to the credit of a special fund designated "Puerto Rico Highways and Transportation Authority Construction Fund" (herein called the "1968 Construction Fund") of the moneys referred to in clauses (b), (c) and, with respect to the Existing Toll Facilities, (d) after the required deposits of such moneys have been made to the credit of the Puerto Rico Highways and Transportation Authority Highway Revenue Bonds Interest and Sinking Fund. In the Resolution, the Authority has covenanted to deposit monthly to the credit of the Revenue Fund until the outstanding 1968 Resolution Bonds (hereinafter mentioned) have been paid or provision has been made for their payment and the repeal and cancellation of the 1968 Resolution, all unencumbered moneys held to the credit of the 1968 Construction Fund.

The Resolution provides for the creation of another special fund designated "Puerto Rico Highways and Transportation Authority Transportation Revenue Bonds Interest and Sinking Fund" (herein called the "Sinking Fund") and for the deposit into the Sinking Fund of a sufficient amount of the funds on deposit to the credit of the Revenue Fund to pay the principal of and the interest on all senior bonds issued under the Resolution as the same become due and payable and to create a reserve for such purpose, which special fund is pledged to and charged with the payment of the principal of and the premium, if any, and the interest on the senior bonds.

The Authority has heretofore issued under the provisions of the 1968 Resolution Puerto Rico Highways and Transportation Authority Highway Revenue Bonds (herein, with any additional bonds which hereafter may be issued under the provisions of the 1968 Resolution, called the "1968 Resolution Bonds"). Until all of the 1968 Resolution Bonds have been paid or provision shall have been made for their payment and the repeal and cancellation of the 1968 Resolution, the moneys referred to in clauses (b), (c) and to the extent therein specified, (d) of the second preceding paragraph are pledged to the extent required to the payment of the principal of and the premium, if any, and the interest on the outstanding 1968 Resolution Bonds.

[Insert applicable terms of redemption]

The moneys in the Sinking Fund available for the purchase or redemption of senior bonds shall be allocated to all series of senior bonds outstanding under the Resolution in the manner provided in the Resolution.

If less than all of the bonds of any one maturity shall be called for redemption, the particular bonds or portions of bonds to be redeemed shall be selected by the Fiscal Agent in such manner as it shall deem fair and appropriate.

At least thirty (30) days before the redemption date of any bonds to be redeemed, whether such redemption be in whole or in part, the Fiscal Agent shall cause a notice of such redemption to be mailed, by first class mail, postage prepaid, to all registered owners of bonds to be redeemed at their addresses appearing upon the bond registration books of the Authority. The failure to mail such notice to any registered owner of bonds or any defect in any notice so mailed shall not affect the validity of the proceedings for the redemption of bonds of other registered owners. On the date fixed for redemption, notice having been given as aforesaid, the bonds or portions thereof so called for redemption shall become and be due and payable at the redemption price provided for the redemption of such bonds or portions thereof on such date, and, if sufficient moneys, or certain securities permitted under the Resolution, the principal of and interest on which securities when due will provide sufficient moneys, for the payment of such redemption price and the accrued interest are held by the Fiscal Agent, as provided in the Resolution, interest on the bonds or the portions thereof so called for redemption shall cease to accrue, such bonds or such portions shall cease to be entitled to any lien, benefit or security under the Resolution, and the registered owners thereof shall have no rights in respect of such bonds or such portions except to receive payment of the redemption price thereof and the accrued interest so held by the Fiscal Agent and, in the manner provided by the Resolution, bonds for unredeemed portions of bonds. If a portion of this bond shall be called for redemption, a new bond or bonds in an aggregate principal amount equal to the unredeemed portion hereof, of any authorized denomination or denominations, of the same series and maturity and bearing interest at the same rate as the bonds surrendered for partial redemption will be issued to the registered owner hereof or his legal representative upon the surrender of this bond.

Modifications or alterations of the Resolution or of any resolution supplemental thereto may be made only to the extent and in the circumstances permitted by the Resolution.

The bonds are issuable only as fully registered bonds in denominations of \$5,000 and any multiple thereof. At the corporate trust office of the Fiscal Agent, in the manner and subject to the conditions provided in the Resolution and without cost to the registered owners thereof except for any tax or other governmental charge, bonds may be exchanged for an equal aggregate principal amount of bonds of the same series and maturity, of authorized denominations and bearing interest at the same rate.

The transfer of this bond is registrable and this bond may be exchanged by the registered owner hereof in person or by his attorney or legal representative at the corporate trust office of the Fiscal Agent but only in the manner and subject to the limitations and conditions provided in the Resolution and upon surrender and cancellation of this bond. Upon any such registration of transfer the Authority shall execute and the Fiscal Agent shall authenticate and deliver in exchange for this bond a new bond or bonds, registered in the name of the transferee, of authorized denominations, in aggregate principal amount equal to the principal amount of this bond, of the same series and maturity and bearing interest at the same rate. No fee or service charge shall be made to any bondholder for any such exchange or registration of transfer, but the Authority or the Fiscal Agent may make a reasonable service charge to such bondholder for every such exchange or registration of transfer sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer.

Subject to the provisions for registration contained in the Resolution, nothing contained in this bond or in the Resolution shall affect or impair the negotiability of this bond. As declared by the Enabling Act, this bond shall be negotiable in accordance with the meaning and for all intents and purposes of the negotiable instruments law of Puerto Rico.

All acts, conditions and things required by the Puerto Rican Federal Relations Act and the Constitution and laws of the Commonwealth of Puerto Rico, including the Enabling Act, and the rules and regulations of the Authority to happen, exist and be performed precedent to and in the issuance of this bond and the adoption of the Resolution have happened, exist and have been performed as so required.

This bond is issued with the intent that the laws of the Commonwealth of Puerto Rico shall govern its construction.

This bond shall not be valid or become obligatory for any purpose or be entitled to any lien, benefit or security under the Resolution until the certificate of authentication endorsed hereon shall have been duly executed by the Fiscal Agent.

IN WITNESS WHEREOF, Puerto Rico Highways and Transportation Authority has caused this bond to be signed by or to bear the facsimile signatures of the Secretary of Transportation and Public Works of the Commonwealth of Puerto Rico and of the Executive Director and [Assistant] Secretary of Puerto Rico Highways and Transportation Authority and a facsimile of its corporate seal to be imprinted hereon, all as of the \_\_\_\_ day of \_\_\_\_\_.

Bonds, upon surrender thereof at the corporate trust office of the Fiscal Agent, together with an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Fiscal Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of bonds of the same Series and maturity, of any denomination or denominations authorized by this Resolution, and bearing interest at the same rate.

The Authority shall cause books for the registration of, and for the registration of transfer of, the bonds as provided in this Resolution to be kept by the Fiscal Agent. The transfer of any bond may be registered only upon surrender thereof at the corporate trust office of the Fiscal Agent, together with an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Fiscal Agent, such registration of transfer to be made on such books. As to any bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such bond to the extent of the sum or sums so paid.

Any owner of any bond is hereby granted power to transfer absolute title thereto by assignment thereof to a bona fide purchaser for value (present or antecedent) without notice of prior defenses or equities or claims of ownership enforceable against his assignor or any person in the chain of title and before the maturity of such bond. Every prior owner of any bond shall be deemed to have waived and renounced all of his equities or rights therein in favor of every such bona fide purchaser, and every such bona fide purchaser shall acquire absolute title thereto and to all rights represented thereby.

  - (iii) such bonds, when authenticated and delivered by the Fiscal Agent and issued by the Authority in the manner and subject to any conditions specified in such opinion of counsel, will constitute valid and legally binding obligations

of the Authority, enforceable in accordance with their terms, and will be entitled to the benefits of this Resolution;

- (iv) the issuance of such bonds will not contravene the Enabling Act or result in any violation of any of the terms or provisions of any law or regulation or of any indenture, mortgage or other agreement by which the Authority is bound and under which long-term debt of the Authority outstanding; and
- (v) assuming due authentication and delivery of such bonds by the Fiscal Agent, no authorization, approval or consent by any regulatory or other public authority which has not been obtained is required for the issuance, authentication and delivery of such bonds pursuant to this Resolution;

(d) the certificate required by Section 210(c) *mutatis mutandis*; provided that the Authority need not deliver said certificate in case such bonds are to be issued for the purpose of refunding subordinated bonds of any Series if the Executive Director delivers a certificate to the effect that the maximum Principal and Interest Requirements for any fiscal year thereafter on account of the subordinated bonds to be Outstanding after the issuance of the subordinated bonds then requested to be delivered shall be equal to or less than the maximum Principal and Interest Requirements for any fiscal year thereafter on account of the subordinated bonds outstanding prior to the issuance of the subordinated bonds then requested to be delivered; and

(e) such documents as shall be required by the Fiscal Agent to show that provision has been duly made in accordance with the provisions of this Resolution for the payment of the principal of and the redemption premium, if any, and the interest on all of the subordinated bonds to be refunded to and including the respective redemption or maturity dates thereof.

When the documents mentioned in clauses (a) to (e), inclusive, of this Section shall have been filed with the Fiscal Agent and when the bonds described in the resolutions mentioned in clauses (a) and (b) of this Section shall have been executed and authenticated as required by this Resolution, the Fiscal Agent shall deliver such bonds at one time to or upon the order of the principal underwriters or purchasers named in the resolution mentioned in said clause (b), but only upon payment to the Fiscal Agent of the purchase price of such bonds. The Fiscal Agent shall be entitled to rely upon such resolutions as to all matters stated therein, but the Fiscal Agent shall not deliver such bonds unless (I) the proceeds (excluding accrued interest but including any premium) of such refunding bonds plus any other moneys available for such purpose and the principal of and the interest on the investment of such proceeds or any such moneys, shall be not less than an amount sufficient to pay the principal of and the redemption premium, if any, on the bonds to be refunded and the interest which will accrue thereon to the redemption or maturity date or dates occurring prior thereto and the expenses incident to such financing and (II) if the certificate substantially to the effect required by Section 210(c) has been filed with the Fiscal Agent, the percentage derived by dividing the sum of the amounts shown in item (i) of such certificate for any twelve (12) consecutive calendar months by the amount shown in item (ii) of such certificate shall be not less than one hundred twenty-five per centum (125%).

Simultaneously with the delivery of such refunding bonds the Fiscal Agent shall upon the written direction of the Executive Director specifying the amount to be withdrawn from each account, withdraw from (i) the Subordinated Bond Service Account an amount not in excess of the amount deposited to the credit of such Account under the provisions of Section 401 of this Resolution on account of the interest which is payable on the subordinated bonds to be refunded on the next interest payment date and on account of the next maturing installment of principal of the subordinated bonds to be refunded, (ii) the Subordinated Bond Redemption Account an amount not in excess of the amount deposited to the credit of such Account under the provisions of Section 401 of this Resolution on account of the current Amortization Requirement for the subordinated bonds to be refunded less

any amount applied to the retirement of the subordinated bonds of the Series to be refunded pursuant to the provisions of Section 407 of this Resolution and (iii) the account(s) in the Subordinated Bond Reserve Fund corresponding to the subordinated bonds to be refunded (a) an amount not in excess of the amount held to the credit of such account(s) attributable to the subordinated bonds to be refunded and (b) notwithstanding the provisions of Section 408 hereof, an amount (not in excess of the amount in such account(s)) in excess of the corresponding Subordinated Reserve Requirement determined after giving effect to the withdrawal of the amount mentioned in clause (a) of this sentence, the issuance of the refunding subordinated bonds and the retirement of the corresponding subordinated bonds to be refunded.

Any amount so withdrawn, the proceeds (excluding accrued interest but including any premium) of such refunding bonds and any other moneys which have been made available to the Fiscal Agent for such purpose shall be held by the Fiscal Agent in trust for the sole and exclusive purpose of paying the principal of and redemption premium and interest on the subordinated bonds to be refunded. Moneys so held in trust in respect of the refunding of outstanding subordinated bonds of any Series shall, as nearly as may be practicable and reasonable, be invested and reinvested by the Fiscal Agent at the direction of the Authority in Government Obligations which shall mature, or which shall be subject to redemption at the option of the holder thereof, not later than the respective dates when the moneys so held will be required for the purposes intended. The Fiscal Agent shall not be liable or responsible for any loss resulting from any such investment made in good faith and without gross negligence. Any balance of the moneys so held in trust which balance shall remain after the payment in full of the principal of and redemption premium, if any, and the interest on the subordinated bonds to be refunded shall be deposited to the credit of the appropriate account in the Subordinated Bond Reserve Fund.

Any balance of such proceeds as shall be specified by the Executive Director in a certificate filed with the Fiscal Agent shall be (x) deposited with Government Development Bank for Puerto Rico for payment of expenses incident to the issuance of such refunding subordinated bonds, including the fees and expenses of the Fiscal Agent for its services under Article II of this Resolution and (y) deposited with the Fiscal Agent in the account in the Subordinated Bond Reserve Fund to which such refunding subordinated bonds relate so that, together with other funds of the Authority available therefor, the sum then on deposit to the credit of such account, together with any Reserve Account Insurance Policy or Reserve Account Letter of Credit on deposit therein, shall be equal to the applicable Subordinated Reserve Requirement. Any balance of the sum so deposited with Government Development Bank for Puerto Rico which shall remain after the payment of such expenses and fees shall be deposited to the credit of such account in the Subordinated Bond Reserve Fund. In the event that the sum so deposited is not sufficient to pay all of such expenses, the Authority shall pay the balance of the amounts required for such purpose from any available funds.

The amount paid as accrued interest on such refunding bonds shall be deposited to the credit to the Subordinated Bond Service Account.

Crossover refunding subordinated bonds may be issued under and secured by this Resolution, subject to the conditions hereinabove provided in this Section for the issuance of refunding subordinated bonds and for the same purposes as such refunding bonds; provided, however:

(A) the resolution authorizing the issuance of such crossover refunding subordinated bonds shall fix the date (the "crossover date") on which the subordinated bonds to be refunded shall be paid or redeemed;

(B) the certificate of the Executive Director of the Authority as to the reduction in maximum Principal and Interest Requirements mentioned in clause (d) above shall refer only to

the Principal and Interest Requirements on such crossover refunding subordinated bonds and other subordinated bonds to be outstanding after the crossover date;

(C) there shall be delivered to the Fiscal Agent a report or other document furnished by or on behalf of the Authority to show that the moneys and investments in the special redemption fund referred to below will be sufficient to pay when due (i) all principal and interest on such crossover refunding subordinated bonds maturing on and prior to the crossover date and (ii) the principal or redemption price (including any applicable premium) on the crossover date on the subordinated bonds to be refunded; and

(D) the proceeds of such crossover refunding subordinated bonds (including accrued interest and any premium) and any other moneys provided by the Authority for such purpose shall be applied by the Fiscal Agent as follows:

- (i) Such amount of the proceeds as is specified by the Executive Director of the Authority in a certificate filed with the Fiscal Agent shall be held by the Fiscal Agent in a special redemption fund appropriately designated for the exclusive purposes of paying the principal of and interest on such crossover refunding subordinated bonds maturing on and prior to the crossover date and paying the principal of and redemption premium, if any, and interest on the subordinated bonds to be refunded on the crossover date. Moneys held for the credit of such redemption fund shall, as nearly as may be practicable and reasonable, be invested and reinvested by the Fiscal Agent at the direction of the Authority in Government Obligations, which shall mature, or which shall be subject to redemption at the option of the holder thereof not later than the respective dates when the moneys held for the credit of such redemption fund will be required for the purposes intended. Prior to the crossover date income derived from the investment of moneys held to the credit of such special redemption fund shall be credited to such fund and applied to the payment of the maturing principal of and interest on such crossover refunding subordinated bonds, and thereafter such income and other moneys held to the credit of such special redemption fund shall be applied to the payment of the subordinated bonds to be refunded. The Fiscal Agent shall not be liable or responsible for any loss in any such redemption fund resulting from any such investment made in good faith and without gross negligence. Any balance of the funds which shall remain in said special redemption fund after the payment in full of the principal of and redemption premium, if any, and the interest on such subordinated bonds to be refunded shall be deposited to the credit of the appropriate account in the Subordinated Bond Reserve Fund.
- (ii) The provisions of clauses (x) and (y) in the second preceding paragraph above shall apply to crossover refunding senior bonds.
- (iii) The provisions of the fourth preceding paragraph of this Section shall not apply to crossover refunding subordinated bonds.

Prior to the crossover date the provisions of Sections 401, 406, 407, 408, 409, 410, 411 and 601 shall not apply to such crossover refunding subordinated bonds.

SECTION 212. Until the definitive bonds are ready for delivery, there may be executed, and upon request of the Executive Director of the Authority, the Fiscal Agent shall deliver, in lieu of definitive bonds and subject to the same limitations and conditions except as to identifying numbers,

temporary printed, engraved, lithographed or typewritten bonds in such denominations as the Authority shall determine, substantially of the tenor hereinabove set forth, and with appropriate omissions, insertions and variations as may be required. The Authority shall cause the definitive bonds to be prepared and to be executed and delivered to the Fiscal Agent without unreasonable delay, and the Fiscal Agent, upon presentation to it of any temporary bond shall cancel the same and authenticate and deliver, in exchange therefor, at its corporate trust office, without expense to the holder, a definitive bond or bonds of the same Series, in the same aggregate principal amount, maturing on the same date and bearing interest at the same rate as the temporary bond surrendered. Until so exchanged, the temporary bonds shall in all respects be entitled to the same benefits of this Resolution as the definitive bonds to be issued and authenticated hereunder, and interest on such temporary bonds, when payable, if the definitive bonds shall not be ready for exchange, shall be paid on presentation of such temporary bonds and notation of such payment shall be endorsed thereon.

**SECTION 213.** In case any bond issued hereunder shall become mutilated or be destroyed or lost, then, in the absence of notice to the Authority or the Fiscal Agent that such lost bond has been acquired by a bona fide purchaser, the Authority shall cause to be executed, and the Fiscal Agent shall authenticate and deliver, a new bond of like date, Series, maturity and tenor in exchange and substitution for and upon the cancellation of such mutilated bond or in lieu of and in substitution for such bond destroyed or lost, upon the holder's paying the reasonable expenses and charges of the Authority and the Fiscal Agent, and any governmental charge, in connection therewith and, in the case of a bond destroyed or lost, his filing with the Fiscal Agent evidence satisfactory to it and to the Authority that such bond was destroyed or lost, and of his ownership thereof, and furnishing the Authority and the Fiscal Agent with indemnity satisfactory to them. Every substitute bond issued pursuant to the provisions of this Section shall constitute an original additional contractual obligation of the Authority, whether or not the destroyed or lost bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other bonds duly issued under this Resolution to the same extent as the bonds in substitution for which such bonds were issued.

In case any mutilated, destroyed or lost bond has become or is about to become due and payable, the Authority in its discretion, instead of issuing a new bond, may pay such bond.

### ARTICLE III.

#### REDEMPTION OF BONDS.

**SECTION 301.** The bonds of each Series may be made subject to redemption, either in whole or in part, and at such times and prices, all as may be provided by resolution adopted by the Authority prior to the issuance of such bonds.

If less than all of the bonds of a Series of any one maturity shall be called for redemption, the particular bonds or portions of bonds to be redeemed shall be selected by the Fiscal Agent in such manner as the Fiscal Agent in its discretion may determine to be appropriate and fair; provided, however, that the portion of any bond of any Series to be redeemed shall be in the principal amount equal to the lowest denomination authorized for such Series or some multiple thereof, and that, in selecting bonds for redemption, the Fiscal Agent shall treat each bond as representing that number of bonds which is obtained by dividing the principal amount of such bond by the amount of such lowest authorized denomination.

**SECTION 302.** At least thirty (30) days before the redemption date, the Fiscal Agent shall cause a notice of any such redemption, either in whole or in part, signed in the name of the Authority

by the Fiscal Agent, to be mailed, first-class, postage prepaid, to all owners of bonds to be redeemed at their addresses as they appear on the registration books hereinabove provided. Each such notice shall set forth (1) the date fixed for redemption, (2) the place or places at which payment will be made, (3) the redemption price to be paid, (4) if less than all of the bonds of a Series then outstanding shall be called for redemption, the maturities and numbers of such bonds, and (5) that on such date fixed for redemption the redemption price will become due and payable upon each bond called for redemption and that interest thereon shall cease to accrue from and after said date and shall otherwise comply with Securities Exchange Act of 1934 Release No. 34-23856, dated December 3, 1986 (the "Redemption Release"). In addition, the Fiscal Agent shall cause a copy of the above notice of redemption to be sent to the persons specified in Sections B and D of the Redemption Release at least two business days before notice is given in accordance with the preceding sentence. In case any bond is to be redeemed in part only, the notice of redemption which relates to such bond shall state also the portion of the principal amount to be redeemed and that on or after the redemption date, upon surrender of such bond, a new bond or bonds, of the same Series and maturity, bearing interest at the same rate and in principal amount equal to the unredeemed portion of such bond will be issued. Failure to comply with the requirements of the Redemption Release shall not affect the validity of the proceedings for the redemption of any bonds, and failure to mail such notice to any holder or any defect in any notice so mailed shall not affect the validity of the proceedings for the redemption of the bonds of any other holders.

SECTION 303. On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided, the bonds or portions of bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such bonds or portions of bonds on such date, and, if sufficient moneys, or Government Obligations, the principal of and the interest on which when due will provide sufficient moneys, for payment of the redemption price are held in separate accounts by the Fiscal Agent in trust for the holders of the bonds or portions thereof to be redeemed, as provided in this Resolution, then on and after such date (unless there shall be a default in the payment of the principal and premium, if any, plus accrued interest, if any) interest on the bonds or portions thereof so called for redemption shall cease to accrue and the owners of such bonds or portions thereof shall have no rights in respect thereof except to receive payment of the redemption price thereof and accrued interest, if any, and, to the extent provided in Section 306 hereof, to receive bonds for any unredeemed portions of bonds.

SECTION 304. Bonds so called for redemption, presented and surrendered, shall be cancelled upon the surrender thereof.

SECTION 305. In the event that sufficient moneys or Government Obligations the principal of and the interest on which when due will provide sufficient moneys are held in separate accounts by the Fiscal Agent in trust for the payment of (i) the principal, any redemption premium and interest to accrue to the redemption date of all bonds which have been duly called for redemption under the provisions of this Article or with respect to which irrevocable instructions to call for redemption have been given to the Fiscal Agent in form satisfactory to it, and (ii) the principal of all bonds, if any, refunded under this Resolution which mature prior to the earliest redemption date of the bonds subject to redemption, and the interest to accrue on such bonds to the maturity date or dates thereof, such bonds so called for redemption and any such bonds which mature prior to such redemption date shall not thereafter be deemed to be outstanding under the provisions of this Resolution and shall cease to be entitled to any lien, benefit or security under this Resolution, other than the right to receive payment from such moneys and to receive bonds for any unredeemed portion thereof.

SECTION 306. In case part but not all of an outstanding bond shall be selected for redemption, the registered owner thereof or his attorney or legal representative shall present and surrender such bond to the Fiscal Agent for payment of the principal amount thereof so called for redemption, and the Authority shall execute and the Fiscal Agent shall authenticate and deliver to or

upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the bond so surrendered, a new bond or bonds of the same Series and maturity, bearing interest at the same rate and of any denomination or denominations authorized by this Resolution.

#### ARTICLE IV.

##### REVENUES AND FUNDS.

SECTION 401. A special fund is hereby created and designated "Puerto Rico Highways and Transportation Authority Transportation Revenue Bonds Interest and Sinking Fund" (herein sometimes called the "Senior Bond Sinking Fund"). There are hereby created in the Senior Bond Sinking Fund three separate accounts designated "Senior Bond Service Account", "Senior Bond Redemption Account" and "Senior Bond Reserve Account", respectively. Another special fund is hereby created and designated "Puerto Rico Highways and Transportation Authority Subordinated Transportation Revenue Bonds Interest and Sinking Fund" (herein sometimes called the "Subordinated Bond Sinking Fund"). There are hereby created in the Subordinated Bond Sinking Fund two separate accounts designated "Subordinated Bond Service Account" and "Subordinated Bond Redemption Account", respectively. Another special fund is hereby created and designated "Puerto Rico Highways and Transportation Authority Subordinated Transportation Revenue Bonds Reserve Fund" (herein called the "Subordinated Bond Reserve Fund"). The Authority may by resolution establish one or more accounts within the Subordinated Bond Reserve Fund to the extent necessary to correspond to those Series of subordinated bonds with different Subordinated Reserve Requirements. Each such account shall be designated "Subordinated Bond Reserve Account (Series \_\_\_)" (inserting a year or a letter to identify the particular Series of subordinated bonds to which such account relates).

There is hereby also created a special fund designated the "Puerto Rico Highways and Transportation Authority Transportation Revenue Fund" (herein sometimes called the "Revenue Fund"). The Authority covenants that all Revenues (except investment earnings or deposits to the credit of the funds and accounts established hereunder) will be deposited when received to the credit of the Revenue Fund. Until the outstanding 1968 Resolution Bonds have been paid or provision has been made for their payment and the repeal and cancellation of the 1968 Resolution, the Executive Director or any officer or employee of the Authority designated by him for such purpose shall on or before the last day of the month during which the first Series of bonds shall be issued under the provisions of Section 207 of this Resolution and on or before the 25th day of each month thereafter withdraw from the 1968 Construction Fund and transfer to the credit of the Revenue Fund all unencumbered moneys held for the credit of the 1968 Construction Fund, such transfer to be made on the books of the Authority as of the close of the preceding month. The Authority covenants that all moneys to the credit of the Revenue Fund will be applied to the purposes and in the order set forth in this Article.

The moneys in said Funds and Accounts shall be held by the Fiscal Agent in trust and applied as hereinafter provided with regard to each such Fund and Account and, pending such application, shall be subject to a lien and charge in favor of the holders of the bonds issued and outstanding under this Resolution and for the further security of such holders until paid out or transferred as herein provided.

The Authority covenants that on or before the last day of the month during which the first Series of bonds shall be issued under the provisions of Section 207 of this Resolution and on or before the 25th day of each month thereafter, it shall be the duty of the Executive Director or any officer or employee of the Authority designated by him for such purpose to withdraw from the Revenue Fund

all of the moneys then held to the credit of such Fund and deposit such moneys and any other funds of the Commonwealth allocated to and received by the Authority for the payment of principal of and interest on bonds of the Authority issued under the provisions of this Resolution with the Fiscal Agent to the credit of the following Accounts and Fund in the amounts specified and in the following order:

(a) to the credit of the Senior Bond Service Account, an amount equal to one-sixth (1/6) of the amount of interest payable on all senior bonds of each Series issued hereunder on the interest payment date next succeeding and (beginning with the twelfth month preceding the first maturity of any serial bonds of such Series) an amount equal to one-twelfth (1/12) of the next maturing installment of principal of such serial bonds until the amount held to the credit of the Senior Bond Service Account is equal to the sum of such amount of interest payable on such interest payment date plus the amount of such installment of principal; provided, however, that the amount so deposited on account of interest in each month after the delivery of the senior bonds of any Series under the provisions of this Resolution up to and including the month immediately preceding the first interest payment date thereafter of the bonds of such Series shall be that amount which when multiplied by the number of such deposits will be equal to the amount of interest payable on such bonds on such first interest payment date less the amount of any accrued interest paid on such bonds and deposited with the Fiscal Agent to the credit of the Senior Bond Service Account;

(b) to the credit of the Senior Bond Redemption Account, for a period of 12 consecutive months beginning with the month preceding each fiscal year in which there is an Amortization Requirement for the senior bonds of any Series, an amount equal to one-twelfth (1/12) of the Amortization Requirement for such fiscal year for the term bonds of each Series of senior bonds then outstanding plus an amount equal to one-twelfth (1/12) of the premium, if any, which would be payable on the first redemption date in the following fiscal year on a like principal amount of bonds if such principal amount of bonds should be redeemed prior to their maturity from moneys in the Senior Bond Sinking Fund;

(c) to the credit of the Senior Bond Reserve Account, such amount, if any, of any balance remaining after making the deposits under clauses (a) and (b) above (or the entire balance if less than the required amount) as may be required to make the amount deposited to the credit of said Account in the then current fiscal year at least equal to twenty per centum (20%) of the Senior Reserve Requirement; provided, however, that no such deposit under this clause (c) shall be made in any month if the amount then to the credit of the Senior Bond Reserve Account shall be equal to the Senior Reserve Requirement or in excess of such amount as may be required to make the amount then to the credit of the Senior Bond Reserve Account equal to such Senior Reserve Requirement; and provided, further, that notwithstanding the above, in the event that the Senior Reserve Requirement shall have increased on account of the issuance of additional Series of senior bonds, the amount deposited in each of the five (5) years commencing in the fiscal year in which such additional Series of senior bonds is issued, shall equal 20% of such increase in the Senior Reserve Requirement;

(d) to the credit of the Subordinated Bond Service Account, an amount equal to one-sixth (1/6) of the amount of interest payable on all subordinated bonds of each Series issued hereunder on the interest payment date next succeeding and (beginning with the twelfth month preceding the first maturity of any serial bonds of such Series) an amount equal to one-twelfth (1/12) of the next maturing installment of principal of such serial bonds until the amount held to the credit of the Subordinated Bond Service Account is equal to the sum of such amount of interest payable on such interest payment date plus the amount of such installment of principal; provided, however, that the amount so deposited on account of interest in each month after the delivery of the subordinated bonds of any Series under the provisions of this Resolution up to and including the month immediately preceding the first interest payment date thereafter of the bonds of such

Series shall be that amount which when multiplied by the number of such deposits will be equal to the amount of interest payable on such bonds on such first interest payment date less the amount of any accrued interest paid on such bonds and deposited with the Fiscal Agent to the credit of the Subordinated Bond Service Account;

(e) to the credit of the Subordinated Bond Redemption Account, for a period of 12 consecutive months beginning with the month preceding each fiscal year in which there is an Amortization Requirement for the subordinated bonds of any Series, an amount equal to one-twelfth (1/12) of the Amortization Requirement for such fiscal year for the term bonds of each Series of subordinated bonds then outstanding plus an amount equal to one-twelfth (1/12) of the premium, if any, which would be payable on the first redemption date in the following fiscal year on a like principal amount of bonds if such principal amount of bonds should be redeemed prior to their maturity from moneys in the Subordinated Bond Sinking Fund;

(f) to the credit of each separate account within the Subordinated Bond Reserve Fund, such amount, if any, of any balance remaining after making the deposits under clauses (a) through (e) above (or the entire balance if less than the required amount, allocated pro rata to each such account on the basis of the corresponding Subordinated Reserve Requirements) as may be required to make the respective amounts deposited to the credit of said accounts in the then current fiscal year at least equal to the deposit requirement for each such account established by resolution of the Authority; provided, however, that no such deposit to any such account under this clause (f) shall be made in any month if the amount then to the credit of such account shall be equal to the applicable Subordinated Reserve Requirement or in excess of such amount as may be required to make the amount then to the credit of such account equal to such Subordinated Reserve Requirement; and provided, further, that notwithstanding the above, in the event that any Subordinated Reserve Requirement shall have increased on account of the issuance of additional Series of subordinated bonds, the Authority may by such resolution provide for equal annual deposits of such amounts (not to be more than 20% of the amount of such increase) as will ensure that the amounts so deposited will cause the sum held to the credit of any such account to equal such Requirement not earlier than the end of a 5-year period following the issuance of such Series of subordinated bonds; and

(g) the balance, if any, remaining after making the deposits under clauses (a) through (f) above, shall be deposited to the credit of the Construction Fund for use by the Authority for any of its authorized purposes, subject to the provisions of Sections 604 and 605 of this Resolution.

If the amount so deposited in any month to the credit of any Account mentioned in clauses (a) through (f) above shall be less than the required amount, the requirement therefor shall nevertheless be cumulative and the amount of any deficiency in any month shall be added to the amount otherwise required to be deposited to the credit of such account in each month thereafter until such time as such deficiency shall be made up.

The Authority further covenants that any other funds which it receives from the Commonwealth or any other source to make up any deficiencies in the amounts needed to pay the principal of and interest on any bonds issued under the provisions of the 1968 Resolution and this Resolution will be applied for such purpose first to make up any deficiencies in the amounts needed to pay the principal of and interest on any 1968 Resolution Bonds and then to make up any such deficiencies needed to pay such principal of and interest on the senior bonds and then the subordinated bonds. The Fiscal Agent is authorized to receive at any time payments from the Authority or any other person for deposit to the credit of the various funds and accounts established under this Resolution as shall be specified by the Authority or such person.

The Authority shall, by resolution adopted in connection with the issuance of Variable Rate Bonds, modify the monthly amount required to be deposited pursuant to clause (a) above as shall be necessary to pay interest on said Bonds on the next interest payment date and pursuant to clause (c) above as shall be necessary to make the amount deposited to the credit of the Senior Bond Reserve Account or the applicable accounts within the Subordinated Bond Reserve Fund for any fiscal year equal to the amount required to be so deposited by virtue of said clause (c).

SECTION 402. At such time as the outstanding 1968 Resolution Bonds shall be paid or provision shall be made for their payment and the 1968 Resolution shall have been repealed and cancelled, all moneys (other than moneys held for the redemption or payment of 1968 Resolution Bonds), including any obligations purchased as an investment of such moneys, then held for the credit of the special funds and accounts created under the provisions of the 1968 Resolution shall be withdrawn and deposited to the credit of the special funds and accounts created under the provisions of this Resolution, as follows:

<u>1968 Resolution</u>	<u>This Resolution</u>
Construction Fund	Revenue Fund
Sinking Fund, including Reserve Account	Revenue Fund

SECTION 403. The Fiscal Agent shall, from time to time, withdraw from the Senior Bond Service Account and (1) remit to each registered owner of senior bonds the amount required for paying interest upon such bonds as such interest becomes due and (2) set aside in trust an amount equal to the amount of, and for the sole and exclusive purpose of paying, the principal of all senior bonds as such principal becomes due.

Notwithstanding the foregoing or any other provision herein to the contrary, if any amount applied to the payment of principal of and premium, if any, and interest on senior bonds that would have been paid from the Senior Bond Service Account or the Senior Bond Redemption Account is paid instead under a Credit Facility or a Liquidity Facility, amounts deposited in the Senior Bond Service Account and the Senior Bond Redemption Account, as applicable, and allocable to such payment for said bonds shall be paid, to the extent required under any agreement providing for the issuance of such Facility, to the issuer of the Credit Facility or the Liquidity Facility having made such payment. The Fiscal Agent shall establish one or more subaccounts within the Senior Bond Service Account and the Senior Bond Redemption Account, to the extent required by a resolution of the Authority, to segregate amounts paid to the issuer of a Credit Facility or a Liquidity Facility and amounts paid from a Credit Facility or a Liquidity Facility.

SECTION 404. Moneys held for the credit of the Senior Bond Redemption Account shall be applied to the retirement of senior bonds issued under the provisions of this Resolution as follows:

(a) Subject to the provisions of paragraph (c) of this Section, the Fiscal Agent shall endeavor to purchase senior bonds secured hereby and then outstanding, whether or not such bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to interest rate and price, such price not to exceed the principal of such bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the holders of such bonds if such bonds should be called for redemption on such date from moneys in the Senior Bond Sinking Fund. The Fiscal Agent shall pay the interest accrued on such bonds to the date of delivery thereof from the Senior Bond Service Account and the purchase price from the Senior Bond Redemption Account, but no such

purchase shall be made within the period of forty-five (45) days next preceding any interest payment date on which such bonds are subject to call for redemption under the provisions of this Resolution except from moneys in excess of the amounts set aside or deposited for the redemption of senior bonds.

(b) Subject to the provisions of paragraph (c) of this Section, the Fiscal Agent shall call for redemption on each date on which senior bonds are subject to redemption from moneys in the Senior Bond Sinking Fund on the forty-fifth day prior to such redemption date such amount of senior bonds then subject to redemption as, with the redemption premium, if any, will exhaust the Redemption Account as nearly as may be; provided, however, that not less than Fifty Thousand Dollars (\$50,000) in principal amount of senior bonds shall be called for redemption at any one time. Such redemption shall be made pursuant to the provisions of Article III of this Resolution. Not less than thirty (30) days before the redemption date the Fiscal Agent shall withdraw from the Senior Bond Service Account and from the Senior Bond Redemption Account and set aside in separate accounts the respective amounts required for paying the interest on the senior bonds so called for redemption and the principal of and the redemption premium, if any, on such bonds.

(c) Moneys in the Senior Bond Redemption Account shall be applied to the purchase or redemption of senior bonds in the following order:

*first*, term bonds of each Series of senior bonds, if any, in the order of their issuance, to the extent of the Amortization Requirement, if any, of the then current fiscal year for such term bonds and any deficiency in preceding fiscal years in the purchase or redemption of such term bonds under the provisions of this subdivision; provided, however, that if none of the term bonds of a Series of senior bonds shall be subject to redemption from moneys in the Senior Bond Sinking Fund and if the Fiscal Agent shall at any time be unable to exhaust the moneys applicable to the bonds of any such Series in the purchase of such bonds under the provisions of paragraph (a) of this Section, such moneys or the balance of such moneys, as the case may be, shall be retained in the Senior Bond Redemption Account and, as soon as it is feasible, applied to the retirement of the bonds of such Series;

*second*, to the purchase of any senior bonds secured hereby and then outstanding whether or not such bonds shall then be subject to redemption, in accordance with the provisions of paragraph (a) of this Section;

*third*, term bonds of each Series of senior bonds in proportion (as nearly as practicable) to the aggregate principal amount of the bonds of each such Series originally issued under the provisions of this Resolution; and

*fourth*, after the retirement of all term senior bonds, any balance still remaining shall be applied to the retirement of serial bonds of each Series of senior bonds in proportion to the aggregate principal amount of the serial bonds of each such Series originally issued under the provisions of this Resolution.

All expenses in connection with such purchase or redemption shall be paid from the Construction Fund.

Upon the retirement of any senior bonds by purchase or redemption the Fiscal Agent shall file with the Authority a statement briefly describing such senior bonds, and setting forth the date of their purchase or redemption, the amount of the purchase price or the redemption price of such bonds, and the amount paid as interest thereon.

SECTION 405. Subject to the provisions of the second paragraph of Section 409 and to the provisions of the last paragraph of Section 411, moneys held for the credit of the Senior Bond Reserve Account shall be used for the purpose of paying interest on the senior bonds and maturing principal of serial senior bonds whenever and to the extent that the moneys held for the credit of the Senior Bond Service Account shall be insufficient for such purpose and thereafter for the purpose of making deposits to the credit of the Senior Bond Redemption Account pursuant to the requirements of clause (b) of Section 401 of this Resolution whenever and to the extent that the Revenues or other moneys deposited to the credit of the Revenue Fund are insufficient for such purpose.

The Authority may at any time deposit to the credit of the Senior Bond Reserve Account a Reserve Account Insurance Policy or a Reserve Account Letter of Credit. Moneys held to the credit of the Senior Bond Reserve Account may be applied at any time to reinstate any Reserve Account Insurance Policy or Reserve Account Letter of Credit to the extent of such moneys (but not in excess of any such instrument's maximum stated amount). If at any time the moneys held for the credit of the Senior Bond Reserve Account or amounts available under any Reserve Account Insurance Policy or Reserve Account Letter of Credit shall exceed the Senior Reserve Requirement, such excess may be retained in the Senior Bond Reserve Account, may be applied to the payment of outstanding notes issued by the Authority to finance temporarily any Transportation Facilities or outstanding senior bonds to be refunded pursuant to Section 209 of this Resolution, or may be deposited to the credit of the Senior Bond Service Account, the Senior Bond Redemption Account or the Construction Fund, or any Reserve Account Insurance Policy or Reserve Account Letter of Credit may be reduced to the extent of such excess, at the option of the Authority; provided, however, that any such excess arising from the deposit of a Reserve Account Insurance Policy or a Reserve Account Letter of Credit shall be paid to the Authority.

SECTION 406. The Fiscal Agent shall, from time to time, withdraw from the Subordinated Bond Service Account and (1) remit by mail to each registered owner of subordinated bonds the amount required for paying interest upon such bonds as such interest becomes due and (2) set aside in trust an amount equal to the amount of, and for the sole and exclusive purpose of paying, the principal of all subordinated bonds as such principal becomes due.

Notwithstanding the foregoing or any other provision herein to the contrary, if any amount applied to the payment of principal of and premium, if any, and interest on subordinated bonds that would have been paid from the Subordinated Bond Service Account or the Subordinated Bond Redemption Account is paid instead under a Credit Facility or a Liquidity Facility, amounts deposited in the Subordinated Bond Service Account and the Subordinated Bond Redemption Account, as applicable, and allocable to such payment for said bonds shall be paid, to the extent required under any agreement providing for the issuance of such Facility, to the issuer of the Credit Facility or the Liquidity Facility having made such payment. The Fiscal Agent shall establish one or more subaccounts within the Subordinated Bond Service Account and the Subordinated Bond Redemption Account, to the extent required by a resolution of the Authority, to segregate amounts paid to the issuer of a Credit Facility or a Liquidity Facility and amounts paid from a Credit Facility or a Liquidity Facility.

SECTION 407. Moneys held for the credit of the Subordinated Bond Redemption Account shall be applied to the retirement of subordinated bonds issued under the provisions of this Resolution as follows:

- (a) Subject to the provisions of paragraph (c) of this Section, the Fiscal Agent shall endeavor to purchase subordinated bonds secured hereby and then outstanding, whether or not such bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to interest rate and price, such price not to exceed the principal of such bonds plus the amount of the premium, if any, which would be payable on the

next redemption date to the holders of such bonds if such bonds should be called for redemption on such date from moneys in the Subordinated Bond Sinking Fund. The Fiscal Agent shall pay the interest accrued on such bonds to the date of delivery thereof from the Subordinated Bond Service Account and the purchase price from the Subordinated Bond Redemption Account, but no such purchase shall be made within the period of forty-five (45) days next preceding any interest payment date on which such bonds are subject to call for redemption under the provisions of this Resolution except from moneys in excess of the amounts set aside or deposited for the redemption of subordinated bonds.

(b) Subject to the provisions of paragraph (c) of this Section, the Fiscal Agent shall call for redemption on each date on which subordinated bonds are subject to redemption from moneys in the Subordinated Bond Sinking Fund on the forty-fifth day prior to such redemption date such amount of subordinated bonds then subject to redemption as, with the redemption premium, if any, will exhaust the Subordinated Bond Redemption Account as nearly as may be; provided, however, that not less than Fifty Thousand Dollars (\$50,000) in principal amount of subordinated bonds shall be called for redemption at any one time. Such redemption shall be made pursuant to the provisions of Article III of this Resolution. Not less than thirty (30) days before the redemption date the Fiscal Agent shall withdraw from the Subordinated Bond Service Account and from the Subordinated Bond Redemption Account and set aside in separate accounts the respective amounts required for paying the interest on the subordinated bonds so called for redemption and the principal of and the redemption premium on such bonds.

(c) Moneys in the Subordinated Bond Redemption Account shall be applied to the purchase or redemption of subordinated bonds in the following order:

*first*, term bonds of each Series of subordinated bonds, if any, in the order of their issuance, to the extent of the Amortization Requirement, if any, of the then current fiscal year for such term bonds and any deficiency in preceding fiscal years in the purchase or redemption of such term bonds under the provisions of this subdivision; provided, however, that if none of the term bonds of a Series of subordinated bonds shall be subject to redemption from moneys in the Subordinated Bond Sinking Fund and if the Fiscal Agent shall at any time be unable to exhaust the moneys applicable to the bonds of any such Series in the purchase of such bonds under the provisions of paragraph (a) of this Section, such moneys or the balance of such moneys, as the case may be, shall be retained in the Subordinated Bond Redemption Account and, as soon as it is feasible, applied to the retirement of the bonds of such Series;

*second*, to the purchase of any subordinated bonds secured hereby and then outstanding whether or not such bonds shall then be subject to redemption, in accordance with the provisions of paragraph (a) of this Section;

*third*, term bonds of each Series of subordinated bonds in proportion (as nearly as practicable) to the aggregate principal amount of the bonds of each such Series originally issued; and

*fourth*, after the retirement of all term subordinated bonds, any balance still remaining shall be applied to the retirement of serial bonds of each Series of subordinated bonds in proportion to the aggregate principal amount of the serial bonds of each such Series originally issued under the provisions of this Resolution. .

All expenses in connection with such purchase or redemption shall be paid from the Construction Fund.

Upon the retirement of any subordinated bonds by purchase or redemption the Fiscal Agent shall file with the Authority a statement briefly describing such bonds, and setting forth the date of their purchase or redemption, the amount of the purchase price or the redemption price of such bonds, and the amount paid as interest thereon.

**SECTION 408.** Moneys held for the credit of each account in the Subordinated Bond Reserve Fund shall be used for the purpose of paying interest on each Series of subordinated bonds and maturing principal of serial subordinated bonds of each such Series to which such account relates whenever and to the extent that the moneys held for the credit of the Subordinated Bond Service Account shall be insufficient for such purpose and thereafter for the purpose of making deposits to the credit of the applicable account in the Subordinated Bond Redemption Fund pursuant to the requirements of clause (e) of Section 401 of this Resolution whenever and to the extent that the Revenues or other moneys deposited to the credit of the Revenue Fund are insufficient for such purpose.

The Authority may at any time deposit to the credit of any account in the Subordinated Bond Reserve Fund a Reserve Account Insurance Policy or a Reserve Account Letter of Credit. Moneys held to the credit of any account in the Subordinated Bond Reserve Fund may be applied at any time to reinstate any Reserve Account Insurance Policy or Reserve Account Letter to the extent of such moneys (but not in excess of any such instrument's maximum stated amount). If at any time the moneys held for the credit of any account in the Subordinated Bond Reserve Fund or amounts available under any Reserve Account Insurance Policy or Reserve Account Letter of Credit shall exceed the corresponding Subordinated Reserve Requirement, such excess may be retained in such account, may be applied to the payment of outstanding notes issued by the Authority to finance temporarily any Traffic Facilities or undertakings of the Authority for which subordinated bonds may be issued hereunder or outstanding subordinated bonds to be refunded pursuant to Section 211 of this Resolution, or may be deposited to the credit of the Subordinated Bond Service Account, the Subordinated Bond Redemption Account or the Construction Fund, or any Reserve Account Insurance Policy or Reserve Account Letter of Credit may be reduced to the extent of such excess, at the option of the Authority; provided, however, that any such excess arising from the deposit of a Reserve Account Insurance Policy or a Reserve Account Letter of Credit shall be paid to the Authority.

**SECTION 409.** Except for such withdrawals as are required by the provisions of the next paragraph, before any payment or withdrawal shall be made from moneys in the Construction Fund there shall be filed with the Fiscal Agent a certificate signed by the Executive Director of the Authority or an officer of the Authority designated by him for such purpose setting forth the amount of money to be so disbursed and stating that such money will be used to pay the costs of constructing Transportation Facilities or for other authorized purposes. Upon receipt of such certificate the Fiscal Agent shall withdraw from the Construction Fund and deposit to the credit of a special checking account in its commercial department in the name of the Authority the amount so specified in such certificate. The Fiscal Agent shall also at any time at the written direction of the Executive Director of the Authority transfer any part of the moneys in the Construction Fund to the credit of any account in the Senior Bond Sinking Fund. The Fiscal Agent is authorized to establish separate accounts or sub-accounts within the Construction Fund corresponding to the source of moneys specified herein for each deposit made into the Construction Fund so that the Fiscal Agent may at all times ascertain the source and date of the deposit of funds in each such account or sub-account.

If on any date on which interest on or principal of any senior bond is due and payable the total of the moneys held to the credit of the Senior Bond Service Account or the Senior Bond Redemption Account shall not be sufficient for paying such interest or principal, the Fiscal Agent shall prior to making any withdrawal from the Senior Bond Reserve Account pursuant to Section 405 hereof withdraw any unencumbered funds derived from Revenues or moneys deposited to the credit of the

Revenue Fund pursuant to the third sentence of the second paragraph of Section 401 then on deposit to the credit of the Construction Fund and transfer all such funds so withdrawn first to the Senior Bond Service Account and then (if necessary) to the Senior Bond Redemption Account in the respective amounts necessary to cure each such insufficiency (or the entire balance of such unencumbered funds in the Construction Fund if less than the sum of the respective required amounts).

SECTION 410. Subject to the terms and conditions set forth in this Resolution, moneys held for the credit of the Senior Bond Service Account, the Senior Bond Redemption Account and the Senior Bond Reserve Account shall be held in trust and disbursed by the Fiscal Agent for (a) the payment of interest upon the senior bonds issued hereunder as such interest falls due, or (b) the payment of the principal of such bonds at their respective maturities, or (c) the payment of the purchase price or redemption price of such bonds, and such moneys are hereby pledged to and charged with the payments mentioned in this Section.

Whenever the total of the moneys held for the credit of the Senior Bond Service Account, the Senior Bond Redemption Account and the Senior Bond Reserve Account shall be sufficient for paying the principal of and the interest accrued on all senior bonds then outstanding under the provisions of this Resolution and any redemption premium and any amounts needed to pay redemption expenses, such moneys shall be applied by the Fiscal Agent to the payment, purchase or redemption of such bonds.

SECTION 411. Subject to the terms and conditions set forth in this Resolution, moneys held for the credit of the Subordinated Bond Service Account, the Subordinated Bond Redemption Account and the Subordinated Bond Reserve Fund shall be held in trust and disbursed by the Fiscal Agent for (a) the payment of interest upon the subordinated bonds issued hereunder as such interest falls due, or (b) the payment of the principal of such bonds at their respective maturities, or (c) the payment of the purchase price or redemption price of such bonds, and such moneys are hereby pledged to and charged with the payments mentioned in this Section.

Whenever (after taking into account the provisions of the next paragraph) the total of the moneys held for the credit of the Subordinated Bond Service Account, the Subordinated Bond Redemption Account and the Subordinated Bond Reserve Fund shall be sufficient for paying the principal of and the interest accrued on all subordinated bonds then outstanding under the provisions of this Resolution and any redemption premium and any amounts needed to pay redemption expenses, such moneys shall be applied by the Fiscal Agent to the payment, purchase or redemption of such bonds.

If on any date on which the interest on or principal of any senior bond is due and payable the total of the moneys held to the credit of the Senior Bond Service Account or Senior Bond Redemption Account shall not be sufficient for paying such principal or interest after making any transfers provided by the second paragraph of Section 409, the Fiscal Agent shall, prior to making any payment in respect of interest or premium, if any, on or principal of any subordinated bond on such date and prior to making any withdrawal from the Senior Bond Reserve Account pursuant to Section 405 hereof, withdraw first, any moneys then held to the credit of the Subordinated Bond Redemption Account, second, any moneys then held to the credit of the Subordinated Bond Service Account in respect of the principal of any subordinated bonds and third, any other moneys then held to the credit of the Subordinated Bond Service Account and transfer all such moneys so withdrawn first to the Senior Bond Service Account and then (if necessary) to the Senior Bond Redemption Account in the respective amounts necessary to cure each such insufficiency (or the entire balance in each of such Accounts if less than the sum of the respective required amounts).

SECTION 412. (a) All moneys which the Fiscal Agent shall have withdrawn from the Senior Bond Sinking Fund or shall have received from any other source and set aside for the purpose of

paying any of the senior bonds hereby secured, either at the maturity thereof or upon call for redemption, shall be held in trust for the respective holders of such bonds. But any moneys which shall be so set aside or deposited by the Fiscal Agent and which shall remain unclaimed by the holders of such bonds for a period of two (2) years after the date on which such bonds shall have become payable shall upon request in writing be paid to the Authority or to such officer, board or body as may then be entitled by law to receive the same, and thereafter the holders of such bonds shall look only to the Authority or to such officer, board or body, as the case may be, for payment and then only to the extent of the amounts so received without any interest thereon, and the Fiscal Agent shall have no responsibility with respect to such moneys.

(b) All moneys which the Fiscal Agent shall have withdrawn from the Subordinated Bond Sinking Fund or shall have received from any other source and set aside for the purpose of paying any of the subordinated bonds hereby secured, either at the maturity thereof or upon call for redemption, shall be held in trust for the respective holders of such bonds. But any moneys which shall be so set aside or deposited by the Fiscal Agent and which shall remain unclaimed by the holders of such bonds for a period of two (2) years after the date on which such bonds shall have become payable shall upon request in writing be paid to the Authority or to such officer, board or body as may then be entitled by law to receive the same, and thereafter the holders of such bonds shall look only to the Authority or to such officer, board or body, as the case may be, for payment and then only to the extent of the amounts so received without any interest thereon, and the Fiscal Agent shall have no responsibility with respect to such moneys.

SECTION 413. All bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Fiscal Agent when such payment, redemption or purchase is made, and such bonds shall thereupon be cancelled. The Fiscal Agent shall certify to the Executive Director and to the Treasurer of the Authority the details of all bonds so cancelled. All bonds cancelled under any of the provisions of this Resolution shall be destroyed by the Fiscal Agent, which shall execute a certificate of destruction in duplicate, describing the bonds so destroyed, and one executed certificate shall be filed with the Treasurer of the Authority and the other executed certificate shall be retained by the Fiscal Agent.

SECTION 414. After provision shall be made for the payment of all bonds secured hereby and the interest thereon and all expenses and charges herein required to be paid, the Fiscal Agent shall pay any balance in the Senior Bond Sinking Fund and the Subordinated Bond Sinking Fund and any balance in any other fund then held by it to the Authority.

### DEPOSITARIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS.

SECTION 501. All moneys deposited with the Fiscal Agent under the provisions of this Resolution shall be held in trust and applied only in accordance with the provisions of this Resolution, and shall not be subject to lien or attachment by any creditor of the Authority other than the liens and charges created by or pursuant to this Resolution in favor of the holders of the bonds issued and outstanding under this Resolution.

All moneys deposited with the Fiscal Agent hereunder shall be continuously secured, for the benefit of the Authority and holders of the bonds, either (a) by lodging with a bank or trust company approved by the Authority as custodian, or, if then permitted by law, by setting aside under control of the trust department of the bank holding such deposit, as collateral security, Investment Obligations

eligible as security for the deposit of trust funds under regulations of the Comptroller of the Currency of the United States of America or applicable Commonwealth of Puerto Rico or state law or regulations, having a market value (exclusive of accrued interest) not less than the amount of such deposit, or (b) if the furnishing of security as provided in clause (a) above is not permitted by applicable law, in such other manner as may then be required or permitted by applicable Commonwealth, state or federal laws or regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds; provided, however, that it shall not be necessary for the Fiscal Agent to give security for any moneys which shall be represented by obligations purchased under the provisions of this Article as an investment of such moneys.

All moneys deposited with the Fiscal Agent shall be credited to the particular Fund or Account to which such moneys belong.

SECTION 502. Moneys held for the credit of the Revenue Fund, the Senior Bond Service Account, the Senior Bond Redemption Account, the Subordinated Bond Service Account and the Subordinated Bond Redemption Account shall, as nearly as may be practicable, be continuously invested and reinvested at the written direction of the Authority in Government Obligations, and moneys held for the credit of the Construction Fund, the Senior Bond Reserve Account and each account in the Subordinated Bond Reserve Fund shall, as nearly as may be practicable, be continuously invested and reinvested at the written direction of the Authority in Investment Obligations, which Government Obligations and Investment Obligations shall mature, or which shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates when moneys held for the credit of said Accounts and Funds will be required for the purposes intended; provided, however, that the amounts on deposit in the Senior Bond Reserve Account and each account in the Subordinated Bond Reserve Fund shall be invested in Investment Obligations which mature not later than the final maturity date of any senior bonds or subordinated bonds Outstanding, as the case may be.

Obligations so purchased as an investment of moneys in said Accounts and Funds shall be deemed at all times to be a part of said Accounts and Funds, and any profit or loss realized on the sale or maturity thereof shall be credited or debited to said Accounts and Funds. The Fiscal Agent, at the written direction of the Authority, shall sell at the best price reasonably obtainable any Investment Obligations so purchased as an investment in any Fund or Account maintained by the Fiscal Agent hereunder whenever it shall be necessary to do so in order to provide moneys to meet any payments or transfers from any such Fund or Account. Neither the Fiscal Agent (to the extent it has acted in good faith and without gross negligence) nor the Authority shall be liable or responsible for any loss resulting from any such investment; provided that the foregoing shall not be deemed to limit the Authority's obligation to make deposits to the credit of the Funds and Accounts otherwise required by this Resolution.

Investment earnings on moneys on deposit to the credit of the Revenue Fund, the Construction Fund, the Senior Bond Sinking Fund and the Subordinated Bond Sinking Fund shall be applied as follows:

(a) Investment earnings on moneys on deposit to the credit of the Senior Bond Service Account, the Senior Bond Redemption Account, the Subordinated Bond Service Account, the Subordinated Bond Redemption Account and the Construction Fund shall be transferred to the credit of or retained in the Construction Fund; provided that the Authority may elect to have such investment earnings remain to the credit of the Senior Bond Service Account, the Senior Bond Redemption Account, the Subordinated Bond Service Account or the Subordinated Bond Redemption Account to fund the next payment of principal of, Amortization Requirements for and interest on the senior bonds or the subordinated bonds, in which event the Authority shall receive a credit against the amounts required to be deposited in said Accounts as applicable;

Amortized value, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (1) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price and (2) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price. Valuation on any particular date shall include the amount of interest then earned or accrued to such date on any moneys or investments in such Fund or Account. The computation of the amount held to the credit of the Fund and Accounts created under this Resolution and the valuation of the investments of such amount shall be performed by the Fiscal Agent as of the close of business on the last day of each fiscal year and at such other times as the Authority shall request, and such computation and valuation shall not be required to be performed at other times.

SECTION 601. The Authority covenants that it will promptly pay the principal of and the interest on every bond issued under the provisions of this Resolution at the places, on the dates and in the manner provided herein and in said bonds and any premium required for the retirement of said bonds by purchase or redemption, according to the true intent and meaning thereof. Except as in this Resolution otherwise provided, such principal, interest and premiums are payable solely from Revenues and other moneys deposited to the credit of the Revenue Fund and from any funds received by the Authority for that purpose from the Commonwealth, which Revenues, moneys and funds are hereby pledged (with such priorities with respect to the use and disposition of Revenues as are in this Resolution specified) to the payment thereof in the manner and to the extent hereinabove particularly specified. Forthwith upon the repeal and cancellation of the 1968 Resolution, all Existing Tax and Fee Revenues and Existing Toll Facilities Revenues shall be hereby pledged to the payment of the principal of and premium, if any, and interest on the bonds issued under the provisions of this Resolution to the same extent and with the same effect as the pledge of the preceding sentence.

SECTION 602. The Authority further covenants that, except as provided in this Resolution, it will not incur any indebtedness nor create or suffer to be created any lien, pledge, assignment, encumbrance or charge upon the Revenues ranking equally with or prior to the senior bonds, except the lien and charge of the senior bonds secured hereby upon such Revenues, or ranking equally with the subordinated bonds, except the lien and charge of the subordinated bonds secured hereby upon such Revenues.

Any other indebtedness incurred by the Authority after the effective date hereof under documents not in effect on the effective date hereof shall contain a statement that such indebtedness is junior, inferior and subordinate in all respects to the bonds as to lien on and source and security for payment from Revenues hereunder. For purposes of the above limitation on incurrence of indebtedness, indebtedness shall not be deemed to include contracts entered into in the ordinary course of business or agreements to repay advances received from the Federal government or to repay amounts drawn under any Credit Facility, Liquidity Facility, Reserve Account Insurance Policy or Reserve Account Letter of Credit to the extent of the amounts so drawn. Nothing in this Resolution shall be deemed to prohibit the Authority from entering into currency swaps, interest rate swaps or other arrangements for hedging of interest rates on any indebtedness.

SECTION 603. The Authority has adopted a master plan for the construction of required Transportation Facilities in Puerto Rico and a priorities construction program thereof covering the five year period 1997-1998 to 2001-2002 which has been evaluated by the Transportation Engineers who have made their recommendations thereon. The Authority covenants that the master plan will be supplemented periodically as necessary and that the five year priorities construction program will be updated each year to cover the Transportation Facilities to be constructed by the Authority in the ensuing five year period. A copy of each supplement or revision of said master plan and said five year priorities construction program made by the Authority shall be furnished to the Transportation Engineers.

SECTION 604. As recited in the preambles hereof the Authority has entered into an agreement with the Secretary of Transportation pursuant to which the Secretary of Transportation has agreed to pay the costs of maintaining, repairing and operating all Traffic Facilities financed by the Authority in whole or in part by the issuance of 1968 Resolution Bonds and all Transportation Facilities financed by the Authority in whole or in part by the issuance of bonds of the Authority under the provisions of this Resolution, from general funds of the Commonwealth of Puerto Rico which are made available to him for such purpose. The Authority covenants, however, that if and to the extent funds for this purpose are not provided by the Commonwealth of Puerto Rico, the Authority will pay such costs from unencumbered funds then on deposit in the Construction Fund or from the Revenues or any amounts deposited to the credit of the Revenue Fund in accordance with the third sentence of the second paragraph of Section 401 of this Resolution and which are thereafter deposited to the credit of the Construction Fund pursuant to clause (g) of Section 401 of this Resolution and not from funds then on deposit or thereafter deposited to the credit of the 1968 Construction Fund.

The Authority further covenants that it will cause an annual general evaluation to be made by the Transportation Engineers of the level of maintenance, repair and operating condition of all Traffic Facilities financed in whole or in part by the issuance of 1968 Resolution Bonds and all Transportation Facilities financed in whole or in part by the issuance of bonds of the Authority under this Resolution, which Facilities shall be, in the judgment of the Authority with the approval of the Transportation Engineers, material to the overall system of Transportation Facilities. References in Section 605 to "the Transportation Facilities referred to in Section 604" shall mean those Transportation Facilities which are financed in whole or in part by the issuance of 1968 Resolution Bonds or bonds of the Authority issued under this Resolution and which are material, in the judgment of the Authority and the Transportation Engineers, to the overall system of Transportation Facilities.

The Authority further covenants that it will operate or cause to be operated the Toll Facilities, any Mass Transit Facilities and all other Transportation Facilities that it may from time to time operate or cause to be operated in an efficient and economical manner, that it will at all times maintain or cause to be maintained such Transportation Facilities in good repair and in sound operating condition and that it will make or cause to be made all necessary repairs, renewals and replacements thereto to restore such Facilities to such repair and condition.

SECTION 605. The Authority covenants that it will cause the Transportation Engineers to prepare a report each year promptly after the completion of their general evaluation of the level of maintenance, repair and operating condition of the Transportation Facilities referred to in Section 604 of this Resolution, setting forth (i) their comments with respect to any supplements or revisions made by the Authority in the master plan or in the five year priorities construction program referred to in Section 603 of this Resolution and their recommendations as to any additional supplements or revisions which should be made in such plan or in such priorities program, and (ii) their findings resulting from such general evaluation of the level of maintenance, repair and operating condition of such Facilities as to whether such Facilities have been maintained in good repair, working order and sound condition and their recommendations as to repairs, renewals or replacements which are needed.

A copy of such report shall be filed with the Authority, the Fiscal Agent, the Secretary of Transportation and the Secretary of the Treasury. If it appears from such report that repairs, renewals or replacements of any such Facilities are necessary, the Authority shall promptly cause such Facilities to be restored to a condition of good repair and to sound operating condition, and if and to the extent that funds for such purpose have not been made available by the Commonwealth of Puerto Rico, unencumbered funds then on deposit in the Construction Fund, or Revenues or any amounts deposited to the credit of the Revenue Fund in accordance with the third sentence of the second paragraph of Section 401 of this Resolution and which are thereafter deposited to the credit of said Fund pursuant to clause (g) of Section 401 of this Resolution shall first, and no funds then on deposit or thereafter deposited to the credit of the 1968 Construction Fund shall, be applied for such purpose.

In the event it shall be necessary for the Authority to apply unencumbered funds then on deposit in the Construction Fund for any of the purposes specified in this Section 605, such application shall first be made in respect of any Transportation Facilities operated and maintained by or on behalf of the Authority and then in respect of any other Transportation Facilities.

SECTION 606. The Authority shall on or before October 1 of each year submit to the Planning Board, the Director of the Office of Management and Budget, the Secretary of the Treasury, the Fiscal Agent and the Traffic Engineers, a statement setting forth (i) a brief description of the program of Transportation Facilities to be carried out during the next fiscal year, (ii) its estimate of the total construction cost of such program, (iii) a description of the rights of way which will be needed to carry out such program and the respective dates by which they will be needed, and (iv) the estimated costs of such rights of way and the amount of general funds of the Commonwealth which the Legislature is requested to appropriate for such purpose. The Authority covenants that it will, pursuant to Section 14 of the Enabling Act, file a copy of such statement with the Legislature prior to its next regular session.

SECTION 607. The Authority covenants that it will keep accurate records and accounts of all items of cost and of all expenditures relating to the Transportation Facilities and of the Revenues and the application of moneys held to the credit of the Revenue Fund. Such records and accounts shall be open to the inspection of all interested persons.

The Authority further covenants that in the first month of each fiscal year it will cause an audit to be made of its books and accounts relating to the Transportation Facilities financed hereunder and under the 1968 Resolution by an independent firm of certified public accountants of suitable experience and responsibility. Within a reasonable time thereafter, but not later than 90 days after the beginning of such fiscal year, reports of each such audit shall be filed with the Fiscal Agent and Government Development Bank for Puerto Rico and copies of such reports shall be mailed by the Secretary of the Authority to the principal underwriters and to each bondholder who shall file his name and address with the Secretary of the Authority for such purpose. Each such audit report shall set forth in respect of the preceding fiscal year:

- (d) the amounts on deposit with the Fiscal Agent at the end of the preceding fiscal year to the credit of each such fund or account and the security held therefor, and showing the details of the investments thereof.

SECTION 608. The Authority covenants and agrees that so long as any 1968 Resolution Bonds are outstanding it will, for the purpose of performing and carrying out the duties imposed on the Traffic Engineers by the 1968 Resolution, employ such Traffic Engineers as are employed under Section 608 of the 1968 Resolution, and in respect of any Transportation Facilities not financed under the 1968 Resolution and in any event after the 1968 Resolution Bonds shall have been paid or provision shall have been made for their payment and the 1968 Resolution shall have been repealed and cancelled and so long as any bonds are outstanding under this Resolution, it will, for the purpose of performing and carrying out the duties imposed on the Transportation Engineers by this Resolution, employ an independent engineer or engineers or engineering firm(s) or corporation(s) having a nationwide and favorable repute for skill and experience in the particular work to be carried out by such Engineers.

SECTION 609. The Authority covenants that it will cause the 1968 Resolution to be repealed and cancelled at the earliest practicable date. The Authority further covenants that it will not adopt any resolution supplemental to the 1968 Resolution for the purpose of granting to or conferring upon the 1968 Fiscal Agent for the benefit of the holders of the bonds issued under the 1968 Resolution any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon such holders or the 1968 Fiscal Agent, or for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the 1968 Resolution, or for the purpose of extending the maturity of any 1968 Resolution Bond or creating a lien upon or a pledge of revenues ranking prior to or on a parity with the lien or pledge created by the 1968 Resolution. Nothing herein contained shall prevent the Authority from adopting a resolution supplemental to the 1968 Resolution to cure any ambiguity or formal defect or omission in the 1968 Resolution.

SECTION 610. The Authority covenants that so long as any 1968 Resolution Bonds are outstanding under the provisions of the 1968 Resolution it will cause to be made the deposits to the credit of the 1968 Construction Fund required by the 1968 Resolution, it will not incur any indebtedness nor create or suffer to be created any lien, pledge, assignment, encumbrance or charge upon the Existing Toll Facilities Revenues or the Existing Tax and Fee Revenues ranking equally with or prior to the 1968 Resolution Bonds and except for the Authority's obligation in the second paragraph of Section 401 of this Resolution, it will not withdraw, expend, pledge or otherwise encumber moneys held to the credit of the 1968 Construction Fund whether for the purpose of satisfying the Authority's priorities construction program or otherwise, except for the satisfying the Authority's obligations under Section 513 of that certain trust agreement, dated as of April 1, 1992, by and between the Authority and Banco Santander Puerto Rico, successor trustee.

SECTION 611. The Authority covenants and agrees that, so long as any of the bonds secured hereby shall be outstanding, none of the Existing Tax and Fee Revenues and Existing Toll Facilities Revenues will be used for any purpose other than as provided in the 1968 Resolution and this

(d) The Authority shall give written notice by first-class mail, postage prepaid, of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to all bondholders. Each notice shall include the name and address of the principal corporate trust office of the successor Fiscal Agent.

Should any instrument in writing from the Authority be required by any successor Fiscal Agent for more fully and certainly vesting in such Fiscal Agent the rights, immunities, powers and trusts hereby vested or intended to be vested in its predecessor, and such instrument in writing shall and will, on request, be executed, acknowledged and delivered by the Authority.

Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Resolution and otherwise qualified to act as Fiscal Agent hereunder with or into which the bank or trust company acting as Fiscal Agent may be merged, consolidated or converted, or to which the corporate trust business assets as a whole or substantially as a whole of such bank or trust company may be sold, shall be deemed the successor of the Fiscal Agent.

In default of such payment by the Authority, the Fiscal Agent may deduct the same from any moneys coming into its hands and shall be entitled to a preference in payment over any of the bonds outstanding hereunder. The obligation of the Authority under this Section shall survive payment of the bonds issued under this Resolution and the resignation or removal of the Fiscal Agent.

SECTION 712. The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond or other paper or document.

SECTION 713. SECTION 714. The Fiscal Agent and any officer, director or employee thereof may become the owner or pledgee of bonds issued under this Resolution and may otherwise deal with the Authority with the same rights it would have were it not such Fiscal Agent.

## ARTICLE VIII.

### SUPPLEMENTAL RESOLUTIONS

SECTION 801. Without the consent of any bondholders, the Authority may, from time to time and at any time, adopt such resolutions supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental resolutions shall thereafter form a part hereof)

(a) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions or errors in this Resolution, provided such action shall not adversely affect the interests of the bondholders, or

(b) to grant to or confer upon the bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the bondholders, or

(c) to add to the conditions, limitations and restrictions on the issuance of bonds under the provisions of this Resolution other conditions, limitations and restrictions thereafter to be observed, or

(d) to add to the covenants and agreements of the Authority in this Resolution other covenants and agreements thereafter to be observed by the Authority or to surrender any right or power herein reserved to or conferred upon the Authority, or

(e) to amend the conditions, limitations and restrictions on the issuance of subordinated bonds or the covenants and agreements relating to the subordinated bonds (as shall not adversely affect the interests of the holders of any senior bonds) as may be required to enable the Authority to comply with the provisions of any federal legislation, rules or regulations or court decisions or orders relating to the receipt by the Authority of grants or other assistance from the United States Government.

Within thirty (30) days after the adoption of any supplemental resolution for any of the purposes of this Section, the Fiscal Agent shall at the request of the Authority cause a notice of the adoption of such supplemental resolution to be mailed, first-class, postage prepaid, to all bondholders at their addresses as they appear on the registration books and to Government Development Bank for Puerto Rico. Such notice shall briefly set forth the nature of the supplemental resolution and shall state that copies thereof are on file at the office of the Fiscal Agent for inspection by all bondholders. A failure on the part of the Fiscal Agent to mail the notice required by this Section shall not affect the validity of such supplemental resolution.

**SECTION 102.** Subject to the terms and provisions contained in this Section, and not otherwise, the holders of not less than a majority in aggregate principal amount of the senior bonds and of the subordinated bonds then Outstanding affected thereby shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that nothing herein contained shall permit, or be construed as permitting without the consent of the holders of all bonds affected thereby (a) an extension of the maturity of the principal of or the interest on any bond issued hereunder, or (b) a reduction in the principal amount of any bond or the redemption premium or the rate of interest thereon, or (c) the creation of a lien upon or a pledge of Revenues other than the liens and pledges created by or pursuant to this Resolution, or (d) a preference or priority of any bond or bonds over any other bond or bonds, (e) a reduction in the aggregate principal amount of the bonds required for consent to such supplemental resolution, or (f) a change in the subordination provisions. Nothing herein contained, however, shall be construed as making necessary the approval by bondholders of the adoption of any supplemental resolution as authorized in Section 801 of this Article.

If at any time the Authority shall determine that it is necessary or desirable to adopt any supplemental resolution for any of the purposes of this Section, the Fiscal Agent at the expense and request of the Authority shall cause notice of the proposed adoption of such supplemental resolution to be mailed, first-class, postage prepaid, to all bondholders and to Government Development Bank for Puerto Rico. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the office of the Fiscal Agent for inspection by all bondholders. The Fiscal Agent shall not, however, be subject to any liability to any bondholders by reason of its failure to cause the notice required by this Section to be mailed, and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as provided in this Section.

Whenever, at any time within one year after the date of the mailing of such notice, the Authority shall obtain an instrument or instruments in writing purporting to be executed by the holders of not less than a majority in aggregate principal amount of the senior bonds and of the subordinated bonds then Outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, and the Authority shall deliver to the Fiscal Agent a certificate signed by the Executive Director that the holders of such required percentage of bonds have filed such consents, thereupon, but not otherwise, the Authority may adopt such supplemental resolution in substantially such form, without liability or responsibility to any holder of any bond, whether or not such holder shall have consented thereto.

If the holders of not less than a majority in aggregate principal amount of the senior bonds and of the subordinated bonds Outstanding at the time of the adoption of such supplemental resolution shall have consented to and approved the adoption thereof as herein provided, no holder of any bond shall have any right to object to the adoption of such supplemental resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Authority from adopting the same or from taking any action pursuant to the provisions thereof, and such consent shall be binding on the holder giving such consent and upon any subsequent holder, whether or not he has notice thereof.

**SECTION 803.** Upon the adoption of any supplemental resolution pursuant to the provisions of this Article, this Resolution shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Authority, the

Fiscal Agent and all holders of bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

Any supplemental resolution adopted in accordance with the provisions of this Article shall thereafter form a part of this Resolution, and all of the terms and conditions contained in any such supplemental resolution as to any provision authorized to be contained therein shall be and shall be deemed to be part of the terms and conditions of this Resolution for any and all purposes. In case of the adoption and approval of any supplemental resolution, express reference may be made thereto in the text of any bonds issued thereafter, if deemed necessary or desirable by the Authority.

SECTION 804. No supplemental resolution pursuant to this Article changing, amending or modifying the rights or obligations of the Fiscal Agent may be adopted by the Authority without the written consent of the Fiscal Agent. The Fiscal Agent shall have no liability, duty, responsibility or obligation with respect to whether any supplemental resolution is authorized or permitted by this Resolution or whether any necessary consent of the holders of bonds has been obtained, or in any other respect whatsoever.

## ARTICLE IX.

### SUBORDINATION.

SECTION 901. The indebtedness evidenced by the subordinated bonds shall to the extent provided in this Article be subordinate and subject in right of payment to the prior payment in full of the senior bonds, and the holder of any subordinated bond whether upon original issue or upon transfer or assignment thereof accepts and agrees to be bound by such provision.

SECTION 902. Upon any payment or distribution of assets of the Authority upon any dissolution or winding up or total or partial liquidation of the Authority whether in bankruptcy, insolvency or receivership proceedings, or otherwise,

(1) all senior bonds shall first be paid or duly provided for to the extent of such payment or distribution before any payment is made upon the indebtedness evidenced by the subordinated bonds;

(2) any payment or distribution of assets of the Authority of any kind or character, whether in cash, property or securities, to which the holders of the subordinated bonds or the Fiscal Agent would be entitled except for the provisions of this Article, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Authority being subordinated to the payment of the subordinated bonds, shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of the senior bonds, to the extent necessary to pay or provide for the payment of all senior bonds in full before any payment is made upon the indebtedness evidenced by the subordinated bonds; and

(3) in the event that, notwithstanding the foregoing, upon any such dissolution or winding up or liquidation any payment or distribution of assets of the Authority of any kind or character, whether in cash, property or securities, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Authority being subordinated to the payment of the subordinated bonds, shall be received by the Fiscal Agent or by the holders of the subordinated bonds before all senior bonds are paid or duly provided for in

full, such payment or distribution shall be paid over to the holders of such senior bonds for application to the payment thereof until such senior bonds shall have been paid or provision for such payment shall have been made in full.

Upon any payment or distribution of assets of the Authority referred to in this Section the Fiscal Agent and the holders of the subordinated bonds shall be entitled to rely upon a certificate of the liquidating trustee or agent or other person making any payment or distribution to the Fiscal Agent or the holders of the subordinated bonds for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the holders of the senior bonds and other indebtedness of the Authority, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto, or to this Article.

SECTION 903. Nothing contained in this Resolution or in any of the senior bonds or subordinated bonds shall, however, (a) affect the obligation of the Authority to make, or prevent the Authority from making, at any time, except as provided in Section 902, payments of principal of or premium, if any, or interest on the senior bonds or the subordinated bonds, or (b) prevent the application by the Fiscal Agent of any moneys deposited with it hereunder for such purpose to the payment of or on account of the principal of or premium, if any, or interest on the senior bonds or the subordinated bonds, including moneys held for the credit of the Subordinated Bond Sinking Fund, if, at the time of such payment or deposit, the Fiscal Agent did not have written notice or actual knowledge of any event prohibiting the making of such deposit by the Authority.

SECTION 904. Subject to the payment in full of all senior bonds as provided in Section 902, the holders of the subordinated bonds shall be subrogated to the rights of the holders of senior bonds to receive payments or distributions of assets of the Authority made on the senior bonds until the subordinated bonds shall be paid in full, and no payments or distributions to the holders of the senior bonds by the Authority or by the holders of the subordinated bonds shall, as between the Authority and the holders of the subordinated bonds, be deemed to be a payment by the Authority to or on account of the subordinated bonds, it being understood that the provisions of this Article are and are intended solely for the purpose of defining the relative rights of the holders of the subordinated bonds and of the senior bonds and nothing in this Article shall or is intended to, as between the Authority and the holders of the subordinated bonds, impair the obligation of the Authority, which is unconditional and absolute, to pay from the sources herein provided to the holders of the subordinated bonds the principal of and premium, if any, and interest on the subordinated bonds in accordance with their terms, nor shall anything in this Article prevent the Fiscal Agent or the holder of any subordinated bond from exercising all remedies otherwise permitted by applicable law upon default hereunder, subject to the rights, if any, under this Article of the holders of senior bonds in respect of cash, property or securities of the Authority received upon the exercise of any such remedy.

SECTION 905. Any payment made under a Credit Facility, Liquidity Facility, Reserve Account Insurance Policy or Reserve Account Letter of Credit to the holders of the subordinated bonds having the benefit of such Credit Facility, Liquidity Facility, Insurance Policy or Letter of Credit by the appropriate obligor thereof shall be retained by such holders for their own account, and no holder of senior bonds is to have any right with respect to any such payment so made.

SECTION 906. As between the obligor whose Credit Facility, Liquidity Facility, Reserve Account Insurance Policy or Reserve Account Letter of Credit, as the case may be, secures any subordinated bond and the holder of such subordinated bonds, any payment made on such subordinated bond by the Authority which, under the subordination provisions of this Article, is required to be paid over to the holders of the senior bonds, shall not constitute a payment on such subordinated bond but, instead, shall be treated for all purposes of such Credit Facility, Liquidity Facility, Insurance Policy or Letter of Credit as though such payment had not been made by the Authority. Until the holder of the subordinated bond so guaranteed has received from the Authority,

or from such obligor, moneys which such holder is entitled to retain for its own account, equal in the aggregate to the principal amount of his subordinated bond and any accrued and unpaid interest thereon, such obligor shall remain liable on its Credit Facility, Liquidity Facility, Reserve Account Insurance Policy or Reserve Account Letter of Credit and, unless otherwise provided in such Credit Facility, Liquidity Facility, Insurance Policy or Letter of Credit, shall not be subrogated to any of the rights of the holder of such subordinated bond.

SECTION 907. Unless otherwise provided therefor in the senior bonds, the holders of the senior bonds may extend, renew, modify or amend the terms of the senior bonds or any security therefor and release, sell or exchange such security and otherwise deal freely with the Authority, all without notice to or consent of the holders of the subordinated bonds and without affecting the liabilities and obligations of the Authority or the holders of the subordinated bonds.

## ARTICLE X.

If there is paid or caused to be paid to the holders of all of the bonds secured hereby the principal of and interest on which is and shall thereafter become due and payable thereon, together with all other sums payable hereunder by the Authority, then and in that case the rights, title and interest of the Fiscal Agent hereunder shall cease, terminate and become void, and such bonds shall cease to be entitled to any lien, benefit or security under this Resolution. In such event, the Authority shall repeal and cancel this Resolution and the Fiscal Agent shall transfer and assign to the Authority all property then held by the Fiscal Agent, shall execute such documents as may be reasonably required by the Authority to evidence such transfer and assignment and shall turn over to the Authority or to such other person or entity as the Authority shall direct in writing to the Fiscal Agent any surplus in the Senior Bond Sinking Fund, the Subordinated Bond Sinking Fund and the balances remaining in any other fund or accounts, other than moneys held for the payment or redemption of bonds. If the Authority shall pay or cause to be paid to the holders of less than all of the Outstanding bonds the principal of and interest which is and shall thereafter become due and payable upon such bonds, such bonds, or portions thereof, shall cease to be entitled to any lien, benefit or security under this Resolution.

Any Outstanding bond, or any portion thereof in the principal amount of the lowest authorized denomination or any multiple thereof, shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1001 when the whole amount of the principal of and interest on such bond shall have been paid or when (a) in case such bond or portion thereof has been selected for redemption in accordance with Section 301 hereof prior to its maturity, the Authority shall have given to the Fiscal Agent irrevocable instructions to give in accordance with the provisions of Section 302 hereof notice of redemption of such bond or portion thereof, (b) whether or not such bond or portion thereof, has been selected for redemption, there shall be on deposit with the Fiscal Agent moneys, or Government Obligations which shall not contain provisions permitting the redemption thereof other than at the option of the holder the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys which shall be, sufficient to pay when due the principal of and premium, if any, and interest due and to become due on such bond or portion thereof on or prior to the redemption date or maturity date thereof, as the case may be (calculated in the case of interest on Variable Rate Bonds at the maximum rate permitted by the terms of such Bonds), and (c) in the event such bond does not mature and is not to be redeemed within the next succeeding 60 days, the Authority shall have given the Fiscal Agent irrevocable instructions to give notice, as soon as practicable in the same manner as a notice of redemption is given pursuant to Section 302 hereof, to the holder of such bond, or portion thereof, stating that the deposit of moneys or Government

Obligations required by clause (b) of this paragraph has been made with the Fiscal Agent and that such bond, or portion thereof, is deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of and premium, if any, and interest on such bond or such portion. If payment of less than all of the bonds is to be provided for in the manner and with the effect expressed in this Section, the Fiscal Agent shall select such bonds, or portions thereof, in the manner specified in Section 301 hereof for selection for redemption of less than all of the bonds in the principal amounts designated by the Authority.

The moneys and Government Obligations deposited with the Fiscal Agent pursuant to this Section and all payments of principal of or interest on any such Obligations shall not be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and premium, if any, and interest on said bonds, or portions thereof, deemed to have been paid in accordance with this Section. If bonds, or portions thereof, are deemed to have been paid in accordance with the provisions of this Article by reason of the deposit with the Fiscal Agent of moneys and Government Obligations, no amendment to the provisions of this Section which would adversely affect the holders of such bonds, or portions thereof, shall be made without the consent of each holder affected thereby.

This bond is one of a duly authorized series of revenue bonds of the Authority (herein called the "bonds") designated "Puerto Rico Highways and Transportation Authority Transportation Revenue Bonds (Series A)", aggregating One Billion One Hundred Twenty-nine Million Six Hundred Forty-three Thousand Seven Hundred Forty DOLLARS (\$1,129,643,740), consisting of \$311,598,740 bonds maturing in annual installments on July 1 in each of the years 1999 to 2018, inclusive (herein called the "serial bonds"), and of \$114,360,000 and \$200,000,000 principal amounts of bonds each maturing on July 1, 2028 and \$250,000,000 and \$253,685,000 principal amounts of bonds each maturing on July 1, 2038 (herein called the "term bonds"), issued by the

Authority for the purpose of paying the cost of constructing highways and other traffic and transportation facilities, as such term is defined in the Enabling Act hereinafter mentioned, including the payment of notes heretofore issued by the Authority for such purpose and the refunding of certain highway revenue bonds issued by the Authority under the 1968 Resolution (hereinafter mentioned) for such purpose and to provide a reserve for the payment of the bonds. The Resolution provides for the issuance, from time to time, under the conditions, limitations and restrictions therein set forth, of additional bonds designated "Puerto Rico Highways and Transportation Authority Transportation Revenue Bonds" for any lawful purpose of the Authority and for the purpose of refunding, among others, any bonds issued by the Authority under the provisions of the Resolution or Resolution No. 68-18, adopted by the Authority on June 13, 1968, as amended (the "1968 Resolution") (such bonds and the bonds being herein collectively called the "senior bonds").

All of the bonds are issued pursuant to Resolution No. 98-06 adopted by the Authority on February 26, 1998 (said resolution, together with all supplemental resolutions therein permitted, being herein called the "Resolution"), reference to which is hereby made for the provisions, among others, with respect to the collection and disposition of revenues, the funds charged with and pledged to the payment of the interest on and the principal of the bonds, the nature and extent of the security, the rights, duties and obligations of the Authority and of the Fiscal Agent under the Resolution and the rights of the holders of the bonds, and, by the acceptance of this bond, the Registered Holder hereof assents to all of the provisions of the Resolution. A certified copy of the Resolution is on file at the corporate trust office of The Chase Manhattan Bank, fiscal agent (said fiscal agent and any successor fiscal agent under the Resolution being herein called the "Fiscal Agent"), in the Borough of Manhattan, City and State of New York.

This bond is issued and the Resolution was adopted under and pursuant to the Puerto Rican Federal Relations Act and the Constitution and laws of the Commonwealth of Puerto Rico, particularly Act No. 74, approved June 23, 1965, as amended (said Act as amended being herein called the "Enabling Act"). The Resolution provides for the creation of a special fund designated "Puerto Rico Highways and Transportation Authority Transportation Revenue Fund" (the "Revenue Fund"), and, subject to the limitations of the next two sentences of this paragraph, for the deposit to the credit of said special fund of all moneys received by the Authority (a) from the taxes on crude oil and derivative products heretofore allocated to the Authority by Act No. 34, approved July 16, 1997, as amended, (b) from the taxes on gasoline and gas oil and diesel oil heretofore allocated to the Authority by Subtitle B of Act No. 120, approved October 31, 1994, as amended, (c) from certain receipts of annual motor vehicle license fees allocated to the Authority by the Vehicle and Traffic Law of Puerto Rico (Act No. 141, approved July 20, 1960, as amended), (d) from any tolls or other charges imposed by the Authority for the use of any Transportation Facilities (other than until the 1968 Resolution is repealed and cancelled, any such Facilities financed under the 1968 Resolution and any extensions, improvements or betterments thereof however financed or otherwise paid for (such Facilities being herein called the "Existing Toll Facilities")) and (e) from the proceeds of any other taxes, fees or charges which the Legislature of Puerto Rico may allocate to the Authority and expressly authorizes the Authority to pledge to the payment of the principal of and interest on bonds or other obligations issued by the Authority and which are pledged by the Authority to the payment of the principal of and interest on bonds or other obligations issued under the provisions of the Resolution. The proceeds of the taxes on crude oil and derivative products so allocated to the Authority by said Act No. 34, the proceeds of the taxes on gasoline and gas oil and diesel oil so allocated to the Authority by said Act No. 120, the proceeds of the license fees so allocated to the Authority by said Vehicle and Traffic Law of Puerto Rico and any other taxes, fees or charges which the Legislature of Puerto Rico may allocate to the Authority are subject to first being applied to the payment of interest and

amortization of the public debt in accordance with the provisions of Section 8 of Article VI of the Constitution of Puerto Rico if needed for such purpose, but only to the extent that other available revenues of the Commonwealth referred to in said Section 8 are insufficient for such purpose. The 1968 Resolution provides for the prior deposit to the credit of a special fund designated "Puerto Rico Highways and Transportation Authority Construction Fund" (herein called the "1968 Construction Fund") of the moneys referred to in clauses (b), (c) and, with respect to the Existing Toll Facilities, (d) after the required deposits of such moneys have been made to the credit of the Puerto Rico Highways and Transportation Authority Highway Revenue Bonds Interest and Sinking Fund. In the Resolution, the Authority has covenanted to deposit monthly to the credit of the Revenue Fund until the outstanding 1968 Resolution Bonds (hereinafter mentioned) have been paid or provision has been made for their payment and the repeal and cancellation of the 1968 Resolution, all unencumbered moneys held to the credit of the 1968 Construction Fund.

The Resolution provides for the creation of another special fund designated "Puerto Rico Highways and Transportation Authority Transportation Revenue Bonds Interest and Sinking Fund" (herein called the "Sinking Fund") and for the deposit into the Sinking Fund of a sufficient amount of the funds on deposit to the credit of the Revenue Fund to pay the principal of and the interest on all senior bonds issued under the Resolution as the same become due and payable and to create a reserve for such purpose, which special fund is pledged to and charged with the payment of the principal of and the premium, if any, and the interest on the senior bonds.

The Authority has heretofore issued under the provisions of the 1968 Resolution Puerto Rico Highways and Transportation Authority Highway Revenue Bonds (herein, with any additional bonds which hereafter may be issued under the provisions of the 1968 Resolution, called the "1968 Resolution Bonds"). Until all of the 1968 Resolution Bonds have been paid or provision shall have been made for their payment and the repeal and cancellation of the 1968 Resolution, the moneys referred to in clauses (b), (c) and to the extent therein specified, (d) of the second preceding paragraph are pledged to the extent required to the payment of the principal of and the premium, if any, and the interest on the outstanding 1968 Resolution Bonds.

The bonds issued in the original principal amount of \$114,360,000 and maturing on July 1, 2028 and the bonds issued in the original principal amount of \$250,000,000 and maturing on July 1, 2038 at the time outstanding may be redeemed prior to their respective maturities at the option of the Authority, either (a) in whole on any date not earlier than July 1, 2008, or (b) in part, in such order of maturity as the Authority may direct, on any date not earlier than July 1, 2008, from any moneys that may be made available for such purpose (other than moneys set aside in the Sinking Fund in respect of an amortization requirement), at the principal amount of the bonds of such maturities to be redeemed, together with the interest accrued thereon to the date fixed for redemption, plus a premium of 1% of such principal amount if redeemed on or prior to June 30, 2009,  $\frac{1}{2}\%$  if redeemed thereafter and on or prior to June 30, 2010, and without premium if redeemed thereafter, and the bonds issued in the original principal amount of \$253,685,000 and maturing on July 1, 2038 at the time outstanding may be redeemed prior to their maturities at the option of the Authority either in whole or in part on any date not earlier than July 1, 2018 from any moneys that may be made available for such purpose (other than moneys set aside in the Sinking Fund in respect of an amortization requirement), at the principal amount of the bonds of such maturity to be redeemed, together with interest accrued thereon to the date fixed for redemption, without premium; provided, however, that an amount of the term bonds equal to the respective amortization requirements therefor as set forth in the Resolution, may be redeemed from moneys in the Sinking Fund on July 1, 2019 and on July 1 in each year thereafter at par and accrued interest without premium.

The moneys in the Sinking Fund available for the purchase or redemption of senior bonds shall be allocated to all series of senior bonds outstanding under the Resolution in the manner provided in the Resolution.

If less than all of the bonds of any one maturity shall be called for redemption, the particular bonds or portions of bonds to be redeemed shall be selected by the Fiscal Agent in such manner as it shall deem fair and appropriate.

At least thirty (30) days before the redemption date of any bonds to be redeemed, whether such redemption be in whole or in part, the Fiscal Agent shall cause a notice of such redemption to be mailed, by first class mail, postage prepaid, to all registered owners of bonds to be redeemed at their addresses appearing upon the bond registration books of the Authority. The failure to mail such notice to any registered owner of bonds or any defect in any notice so mailed shall not affect the validity of the proceedings for the redemption of bonds of other registered owners. On the date fixed for redemption, notice having been given as aforesaid, the bonds or portions thereof so called for redemption shall become and be due and payable at the redemption price provided for the redemption of such bonds or portions thereof on such date, and, if sufficient moneys, or certain securities permitted under the Resolution, the principal of and interest on which securities when due will provide sufficient moneys, for the payment of such redemption price and the accrued interest are held by the Fiscal Agent, as provided in the Resolution, interest on the bonds or the portions thereof so called for redemption shall cease to accrue, such bonds or such portions shall cease to be entitled to any lien, benefit or security under the Resolution, and the registered owners thereof shall have no rights in respect of such bonds or such portions except to receive payment of the redemption price thereof and the accrued interest so held by the Fiscal Agent and, in the manner provided by the Resolution, bonds for unredeemed portions of bonds. If a portion of this bond shall be called for redemption, a new bond or bonds in an aggregate principal amount equal to the unredeemed portion hereof, of any authorized denomination or denominations, of the same series and maturity and bearing interest at the same rate as the bonds surrendered for partial redemption will be issued to the registered owner hereof or his legal representative upon the surrender of this bond.

Modifications or alterations of the Resolution or of any resolution supplemental thereto may be made only to the extent and in the circumstances permitted by the Resolution.

The bonds are issuable only as fully registered bonds in denominations of \$5,000 and any multiple thereof (\$5,000 maturity amount or any multiple thereof in respect of the bonds maturing July 1 of the years 2015 through 2018 which bonds are being issued as Capital Appreciation Bonds, as defined in the Resolution). At the corporate trust office of the Fiscal Agent, in the manner and subject to the conditions provided in the Resolution and without cost to the registered owners thereof except for any tax or other governmental charge, bonds may be exchanged for an equal aggregate principal amount of bonds of the same series and maturity, of authorized denominations and bearing interest at the same rate.

The transfer of this bond is registrable and this bond may be exchanged by the registered owner hereof in person or by his attorney or legal representative at the corporate trust office of the Fiscal Agent but only in the manner and subject to the limitations and conditions provided in the Resolution and upon surrender and cancellation of this bond. Upon any such registration of transfer the Authority shall execute and the Fiscal Agent shall authenticate and deliver in exchange for this bond a new bond or bonds, registered in the name of the transferee, of authorized denominations, in aggregate principal amount equal to the principal amount of this bond, of the same series and maturity and bearing interest at the same rate. No fee or service

charge shall be made to any bondholder for any such exchange or registration of transfer, but the Authority or the Fiscal Agent may make a reasonable service charge to such bondholder for every such exchange or registration sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer.

Subject to the provisions for registration contained in the Resolution, nothing contained in this bond or in the Resolution shall affect or impair the negotiability of this bond. As declared by the Enabling Act, this bond shall be negotiable in accordance with the meaning and for all intents and purposes of the negotiable instruments law of Puerto Rico.

All acts, conditions and things required by the Puerto Rican Federal Relations Act and the Constitution and laws of the Commonwealth of Puerto Rico, including the Enabling Act, and the rules and regulations of the Authority to happen, exist and be performed precedent to and in the issuance of this bond and the adoption of the Resolution have happened, exist and have been performed as so required.

This bond is issued with the intent that the laws of the Commonwealth of Puerto Rico shall govern its construction.

This bond shall not be valid or become obligatory for any purpose or be entitled to any lien, benefit or security under the Resolution until the certificate of authentication endorsed hereon shall have been duly executed by the Fiscal Agent.

(B) to file, in a timely manner, with each NRMSIR or with the Municipal Securities Rulemaking Board (the "MSRB") and with any Commonwealth SID, notice of any failure by the Authority to comply with paragraph (A) above and notice of the occurrence of any of the following events with respect to the Bonds, if material:

- (1) principal and interest payment delinquencies;

- (2) non-payment related defaults;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;

(b) No beneficial owner may institute any suit, action or proceeding at law or in equity ("Proceeding") for the enforcement of the foregoing covenants (the "Covenants") or for any remedy for breach thereof, unless such beneficial owner shall have filed with the Authority written notice of any request to cure such breach, and the Authority shall have refused to comply within a reasonable time. All Proceedings shall

be instituted only in a Commonwealth court located in the Municipality of San Juan for the equal benefit of all beneficial owners of the outstanding Bonds, and no remedy shall be sought or granted other than specific performance of any of the Covenants at issue.

(c) The Covenants may only be amended if:

(A) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Authority, or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interest of beneficial owners, as determined by parties unaffiliated with the Authority; or

(B) all or any part of the Rule, as interpreted by the staff of the Commission at the date of the authentication and delivery of the Bonds, ceases to be in effect for any reason, and the Authority elects that the Covenants shall be deemed amended accordingly.

The Authority further agrees in conjunction with any such amendment that the annual financial information containing the amended operating data or financial information will explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

(d) Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

Section 15. The Bonds maturing on July 1 of the years 2003 through 2028 shall be insured by AMBAC Indemnity Corporation ("AMBAC") pursuant to its policy for municipal bond insurance (the "Policy"), and said Bonds shall be referred to herein as the "Insured Bonds." (h) The Authority shall immediately notify AMBAC if at any time there are insufficient moneys to make any payments of principal of or interest on the Insured Bonds as required.

(i) The Authority shall provide AMBAC with a copy of all reports and notices filed in accordance with Section 14 of this resolution and the CD Agreement.

(v) In the event that the Fiscal Agent has notice that any payment of principal of or interest on an Insured Bond which has become Due for Payment (as defined in the Policy) and which is made to a Bondholder by or on behalf of the Authority has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Fiscal Agent shall, at the time AMBAC is notified pursuant to (i) above, notify all registered owners of Insured Bonds that in the event that any such registered owner's payment is so recovered, such registered owner will be entitled to payment from AMBAC to the extent of such recovery if sufficient funds are not otherwise available, and the Fiscal Agent, shall furnish to AMBAC its records evidencing the payments of principal of and interest on the Insured Bonds which have been made by the Fiscal Agent, and subsequently recovered from the registered owners thereof and the dates on which such payments were made.

(vi) In addition to those rights granted AMBAC under this resolution, AMBAC shall, to the extent it makes payment of principal of or interest on Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Policy, and to evidence such subrogation (I) in the case of subrogation as to claims for past due interest, the Fiscal Agent shall note AMBAC's rights as subrogee on the registration books of the Authority maintained by the Fiscal Agent upon receipt from AMBAC of proof of the payment of interest thereon to the registered owners of the Insured Bonds, and (II) in the case of subrogation as to claims for past due principal, the Fiscal Agent shall note AMBAC's rights as subrogee on the registration books of the Authority maintained

by the Fiscal Agent upon surrender of the Insured Bonds by the registered owners thereof together with proof of the payment of principal thereof.

(m) AMBAC shall receive prior written notice of any Fiscal Agent resignation.

(n) Notwithstanding any other provision of the Bond Resolution, in determining whether the rights of the holders of Insured Bonds will be adversely affected by any action taken pursuant to the terms and provisions of the Bond Resolution, the Fiscal Agent shall consider the effect on such holders as if there were no Policy.

(o) Notwithstanding any other provision of the Bond Resolution, no removal, resignation or termination of the Fiscal Agent shall take effect until a successor, acceptable to AMBAC, shall be appointed.

(p) To the extent that this resolution confers upon or gives or grants to AMBAC any right, remedy or claim under or by reason of this resolution, AMBAC is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right remedy or claim conferred, given or granted hereunder.

Section 16. The officers and agents of the Authority, the officers and agents of the Fiscal Agent and the officers and agents of the 1968 Fiscal Agent are hereby authorized and directed to do all acts and things required of them by the provisions of the Bonds, the Bond Resolution, the 1968 Resolution, the CD Agreement, the Swap Agreement, the Standby Agreement, the Remarketing Agreement, the Liquidity Agreement, the TPFC Agreement, the Transamerica Agreement, the Forward Agreement and the Escrow Deposit Letter, and to do all acts and things, including the execution and delivery of such other documents which may be necessary or advisable, for the full, punctual and complete performance of all the terms, covenants, provisions and agreements under the Bonds, the Bond Resolution, the 1968 Resolution, the CD Agreement, the Swap Agreement, the Standby Agreement, the Remarketing Agreement, the Liquidity Agreement, the TPFC Agreement, the Transamerica Agreement, the Forward Agreement and the Escrow Deposit Letter and also to do all acts and things required of them by the provisions of this resolution.

Section 17. (a) Subject to the provisions of any Swap Agreement, the Authority agrees that it will not terminate any Swap Agreement or allow the Swap Partner to terminate such Swap Agreement other than (i) in the case of the Swap Partner, upon the exercise of its rights pursuant to the terms of the Swap Agreement, or (ii) upon the fixed rate conversion of the Series A Variable Rate Bonds, unless the Authority shall have received an opinion of counsel nationally recognized on the subject of municipal bonds to the effect that such termination will not cause interest on the Bonds to be includable in gross income for federal income tax purposes.

(b) In the event that an Early Termination Date (as defined in the Swap Agreement) shall occur or if the Swap Partner is in default under the terms of its Swap Agreement, the Authority agrees to make Reasonable Efforts (as hereinafter defined) to obtain a replacement Swap Agreement. In addition, the Authority agrees to take, at the required times, all actions required by the Swap Agreement to collect any

payment from the Swap Partner to which the Authority is entitled upon the occurrence of an Early Termination Date.

(c) (1) If the Authority shall receive at least one quotation for a replacement Swap Agreement at a cost that will not exceed the termination payment to be received by the Authority as a result of the early termination of the existing Swap Agreement (the "Terminating Swap Agreement"), the Authority shall take the necessary action to implement such replacement Swap Agreement prior to the end of the Replacement Period (hereinafter mentioned).

(2) If the Authority shall not receive at least one quotation for a replacement Swap Agreement at a cost that will not exceed the termination payment to be received by the Authority as a result of the early termination of the Terminating Swap Agreement, the Authority shall, prior to then end of the Replacement Period, either (i) replace the Terminating Swap Agreement with a replacement Swap Agreement that will cost more than any termination payment to be received by the Authority or (ii) elect not to replace such Swap Agreement.

(3) If the cost of a replacement Swap Agreement is less than the cost of the Terminating Swap Agreement, the Authority shall be entitled to keep the difference provided that, within thirty (30) days of the receipt of such payment, the Authority shall have received an opinion of counsel nationally recognized on the subject of municipal bonds to the effect that such retainage will not cause interest on the Bonds to be includable in gross income for federal income tax purposes. If the Authority is unable to obtain the opinion required by this paragraph (3), then it may elect to seek a private letter ruling from the Internal Revenue Service to the effect that such retainage will not cause interest on the Bonds to be includable in gross income for federal income tax purposes. If the Authority is unable to obtain such private letter ruling, within one (1) year of the receipt of such payment, or if the Authority elects not to seek or pursue such private letter ruling, then the Authority shall pay to the holders of the Series A Variable Rate Bonds to which such Terminating Swap Agreement relates, on the interest payment date next succeeding the earlier of (i) the date on which the Authority elected not to seek or pursue such private letter ruling and (ii) the date that is one (1) year after the receipt of the termination payment, the amount of any such difference, together with any investment earnings thereon.

(d) In the event the Authority elects not to replace the Terminating Swap Agreement, the Authority shall transfer to the Fiscal Agent for deposit to the credit of subaccount in the Senior Bond Service Account any termination payment received by it from the Swap Partner on the Terminating Swap Agreement, and such payment, together with any investment earnings thereon, shall be withdrawn therefrom by the Fiscal Agent and used to pay interest on any Series A Variable Rate Bonds to the extent the applicable floating rate exceeds the Fixed Rate at any time after the termination of such Swap Agreement. On the fixed conversion date, the Authority shall be entitled to keep any portion of the termination payment or the investment earnings thereon remaining in such subaccount provided that the Authority shall have received an opinion of counsel nationally recognized on the subject of municipal bonds or a private letter

ruling from the Internal Revenue Service to the effect that such retainage will not cause interest on the Bonds to be includable in gross income for federal income tax purposes. If the Authority has not obtained the opinion or private letter ruling required by this paragraph (d) on or before such fixed rate conversion date, any moneys remaining in such subaccount, including any investment earnings thereon, shall on such fixed rate conversion date be paid, as interest, to the holders of the Series A Variable Rate Bonds.

(e) For the purposes of this Section, "Reasonable Efforts" by the Authority to find a replacement Swap Partner shall mean that no later than two (2) business days following the Early Termination Date, the Authority shall have distributed or caused to be distributed by mail or facsimile transmission a request for a replacement Swap Agreement to at least four (4) financial institutions which are known to be active in the swap market, such notice requesting such institutions to respond to the Authority within five (5) days from the date on which such notice was sent by the Authority (such period being herein called the "Replacement Period").

Section 18. The Fiscal Agent is directed, whenever a withdrawal is made under the TPFC Agreement or the Transamerica Agreement to withdraw simultaneously the same amount under the other such agreement.

Section 19. Subject to the provisions of Section 8 of Article VI of the Constitution of Puerto Rico, the Authority hereby pledges, grants a lien on and creates a security interest in the Construction Fund (and all amounts on deposit therein) established under the Bond Resolution to secure the Authority's obligations under the Swap Agreement.

Section 20. The provisions of this resolution shall become effective immediately upon its adoption.

which an Owner may call, for informing the Owner of such Fixed Rate and Maturities;

(E) the Interest Payment Dates for the payment of interest at the Fixed Rate;

(F) that the Series A Variable Rate Bonds will be subject to redemption at the option of the Authority at the times and at the redemption prices set forth in such notice and corresponding to the second paragraph of Section 10;

(G) that, subject to such Owner's right to elect to retain such Owner's Series A Variable Rate Bonds after the proposed Mode Change Date, such Owner is required to tender his Series A Variable Rate Bonds for purchase on the Mode Change Date (describing the procedures to be followed to exercise such election to retain including the election deadline);

(H) that from and after the Mode Change Date, the Standby Agreement will no longer be in effect and the anticipated ratings on the Bonds;

(I) if the Authority has requested the Remarketing Agent to serialize all or a portion of the Series A Variable Rate Bonds as set forth in Section 6(iii) above, and an Owner elects to retain his Series A Variable Rate Bonds in the Fixed Rate Mode, such retained Bonds shall mature on the first Serial Maturity designated unless a later Maturity may be accommodated;

(J) the conditions to the effectiveness of the change in Mode as set forth in clause (iii) below; and

(K) if all conditions precedent to the effectiveness of the change in Mode are not met, the Series A Variable Rate Bonds will remain in the Mode applicable thereto prior to the proposed change.

(iii) The change to the Fixed Rate Mode shall not occur unless there shall have been delivered to the Fiscal Agent and the Remarketing Agent on the proposed Mode Change Date a Favorable Opinion of Bond Counsel dated the Mode Change Date and addressed to the Fiscal Agent and the Remarketing Agent.

(iv) If any of the conditions precedent have not been satisfied on or prior to the proposed Mode Change Date, the Fixed Rate Mode shall not become effective, and all Series A Variable Rate Bonds will remain in the Weekly Mode.

SECTION 10. Redemption Provisions. Prior to the conversion to the Fixed Rate, the Series A Variable Rate Bonds at the time outstanding may be redeemed prior to maturity on any

Interest Payment Date at the option of the Authority from any Seasoned Funds (other than moneys deposited in the Senior Bond Sinking Fund (as defined in the Bond Resolution) in respect of an Amortization Requirement (as defined in the Bond Resolution)) either in whole or in part, at the principal amount of the Series A Variable Rate Bonds to be redeemed, together with the interest accrued thereon to the date fixed for redemption, without premium; provided, however, that an amount of the Series A Variable Rate Bonds equal to the Amortization Requirements therefor may be redeemed from moneys in the Sinking Fund on July 1, 2019 and on July 1 in each year thereafter (to the extent Serial Maturities have not been established as set forth in Section 6(iii)) at par and accrued interest, without premium.

SECTION 11. Selection of Bonds for Redemption. Notwithstanding the last paragraph of Section 301 of the Bond Resolution, Bank-Owned Bonds shall be selected for redemption prior to the selection of any other Series A Variable Rate Bonds if less than all the Series A Variable Rate Bonds shall be called for redemption.

SECTION 12. Notice of Redemption. The Fiscal Agent shall give a copy of each notice of redemption of any Series A Variable Rate Bonds to the Bank and the Remarketing Agent and each such notice, in addition to the information required by Section 302 of the Bond Resolution, shall contain a statement to the effect that the redemption to which such notice relates is conditioned upon the deposit with the Fiscal Agent on or prior to the applicable redemption date of sufficient Seasoned Funds to pay the redemption price of the Series A Variable Rate Bonds then being redeemed, plus accrued interest, if any.

SECTION 13. Optional Tenders of Series A Variable Rate Bonds in the Weekly Mode. Each Owner of Series A Variable Rate Bonds in the Weekly Mode may elect to have his Series A Variable Rate Bonds (or portions thereof in Authorized Denominations) purchased on any Business Day at a price equal to the Purchase Price, upon delivering irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent and the Fiscal Agent, promptly confirmed in writing to the Remarketing Agent and the Fiscal Agent, not later than 4:00 p.m. on a Business Day not less than seven (7) days before the Purchase Date specified by the Owner in such notice; and delivering such Bonds (with all necessary endorsements) to the principal corporate trust office of the Fiscal Agent in the Borough of Manhattan, City and State of New York, not later than 12:00 noon on such Purchase Date. Each notice of tender shall state the CUSIP number, Bond number and the principal amount of such Bond (or portion thereof) and that such Bond (or portion thereof) shall be purchased on the Purchase Date specified above. The Remarketing Agent shall promptly return any written notice that is incomplete or improperly completed or not delivered within the times required by this resolution to the person or persons submitting any such notice upon surrender of the receipt, if any, issued therefor. The Remarketing Agent shall deliver to the Fiscal Agent a copy of each notice of tender delivered to the Remarketing Agent in accordance with this Section. The Remarketing Agent's determination of whether a notice is properly completed or delivered on a timely basis shall be binding on the Notice Parties and the Owner of the Series A Variable Rate Bond submitting such notice. All Series A Variable Rate Bonds so purchased shall be delivered (with all necessary endorsements) at or before 12:00 noon on the Purchase Date at the principal corporate trust office of the Fiscal Agent in the Borough of Manhattan, City and State of New York; provided, however, that payment of the Purchase Price shall be made pursuant to this Section only if the Bond so delivered conforms in all respects to the description thereof in the notice described in this Section. Payment of the Purchase Price with respect to purchases under this Section shall be made to the Owners of tendered Bonds by wire transfer in immediately available funds by the Fiscal Agent by the close of business on the Purchase Date but only upon such delivery. An Owner who gives the notice of tender as set forth above may repurchase the Bonds (or portions thereof) so tendered on any such Purchase Date if the Remarketing Agent agrees to sell the Bonds (or portions thereof) so tendered to such Owner. If such Owner decides to repurchase

such Bonds (or portions) and the Remarketing Agent agrees to sell the specified Bonds (or portions) to such Owner, the delivery requirements set forth above shall be waived.

SECTION 14. Mandatory Purchase on Change to Fixed Rate. The Series A Variable Rate Bond shall be subject to mandatory purchase on the date on which the Fixed Rate will become effective at the Purchase Price as provided in this Section; provided that the Owners of such Bonds may elect to retain such Bonds (or portions thereof in Authorized Denominations) in accordance with the provisions of Section 9. Series A Variable Rate Bonds (or portions) purchased pursuant to this Section shall be delivered by the Owners (with all necessary endorsements) to the principal corporate trust office of the Fiscal Agent in the Borough of Manhattan, City and State of New York, at or before 12:00 noon on the date on which the Fixed Rate will become effective and, subject to such delivery, payment of the Purchase Price shall be made by wire transfer of immediately available funds by the close of business on the mode change date on which the Fixed Rate will become effective. The Fiscal Agent shall give notice of such mandatory purchase as part of the notice of change of Mode to be sent to the Owners pursuant to Section 9 above.

SECTION 15. Mandatory Purchase Upon Standby Agreement Termination or Expiration or Substitution of Alternate Liquidity Facility. If by the Renewal Date the Authority has not caused the then existing Standby Agreement to be extended or an Alternate Liquidity Facility to be executed by the Fiscal Agent pursuant to Section 24 below and in either case the Authority has not delivered a Mode Change Notice relating to a change to the Fixed Rate Mode, or in the event that on or prior to the forty-fifth (45th) day next preceding the Substitution Date the Authority has failed to deliver to the Fiscal Agent a Rating Confirmation Notice to the effect that the ratings on the Bonds will not be reduced or withdrawn in connection with the proposed execution by and delivery to the Fiscal Agent of an Alternate Liquidity Facility, the Series A Variable Rate Bonds shall be subject to mandatory purchase in whole on the Expiration Tender Date or Substitution Tender Date, as the case may be. In addition, the Series A Variable Rate Bonds are subject to mandatory purchase in whole on the date specified by the Bank in a written notice given to the Fiscal Agent that an Event of Termination (as defined in the Standby Agreement), other than an Event of Termination specified in Section 7.01(a), (c) or (d), has occurred and is continuing, which date shall be a Business Day not later than the next Interest Payment Date occurring not earlier than thirty (30) days succeeding the date the Fiscal Agent receives such notice (in any case not later than five (5) Business Days before the Termination Date) and not earlier than two Business Days after receipt of such notice by the Fiscal Agent.

The Fiscal Agent shall give notice of such mandatory purchase by mail to the Owners of the Series A Variable Rate Bonds no less than thirty (30) days prior to the Mandatory Purchase Date.

Each such notice shall state the Mandatory Purchase Date, the Purchase Price, that if sufficient Seasoned Funds are held on such Mandatory Purchase Date in separate accounts by the Fiscal Agent in trust for the Owners of the Series A Variable Rate Bonds, interest on the Series A Variable Rate Bonds shall cease to accrue from and after the Mandatory Purchase Date and such Bonds shall no longer be deemed to be outstanding to the Owners of the Series A Variable Rate

Bonds under the Bond Resolution, that the Series A Variable Rate Bonds shall be required to be surrendered to the Fiscal Agent on the Mandatory Purchase Date, and that if any such Bond is not so tendered, it shall be deemed to have been tendered on such Date. Failure to mail any such notice with respect to any Bond shall not affect the validity of the mandatory purchase of any other Bond. Any notice mailed will be conclusively presumed to have been given, whether or not actually received by any Owner.

Series A Variable Rate Bonds purchased pursuant to this Section shall be delivered by the Owners (with all necessary endorsements) to the principal corporate trust office of the Fiscal Agent in New York, New York, at or before 12:00 noon on the Mandatory Purchase Date, and, subject to such delivery, payment of the Purchase Price of such Bonds shall be made by wire transfer in immediately available funds by the Fiscal Agent by the close of business on such Mandatory Purchase Date.

SECTION 16. Remarketing of Series A Variable Rate Bonds.

(a) Remarketing of Bonds. The Remarketing Agent shall use its best efforts to offer for sale:

(i) all Series A Variable Rate Bonds or portions thereof as to which notice of tender pursuant to Section 13 has been given;

(ii) all Series A Variable Rate Bonds required to be purchased pursuant to Sections 14 and 15, except for Series A Variable Rate Bonds to be changed to the Fixed Rate Mode whose Owners have exercised the election to retain in the manner described in Section 20 below; and

(iii) all Bank-Owned Bonds (other than Bank-Owned Bonds purchased on any Principal Payment Date), subject to any limitations contained in the Remarketing Agreement

on the Purchase Date specified or determined by the Remarketing Agent with respect to any Bank-Owned Bonds at the best price available but not at a price less than the principal amount of such Bonds (or portion thereof) plus accrued interest to such date, if any. The Remarketing Agent may sell such Bonds at such premium necessary to adjust for changes in prevailing market conditions between the date on which the rate of interest then borne by such Bond was established and the date of sale. No such Bonds shall be remarketed unless there is in effect in respect of such Bonds a Standby Agreement covering purchases of such Bonds.

(b) Transfer of Purchase Price to Fiscal Agent. The Remarketing Agent shall transfer to the Fiscal Agent in immediately available funds amounts equal to the aggregate Purchase Price of Series A Variable Rate Bonds (or portions thereof) sold by the Remarketing Agent pursuant to subsection (a) of this Section. Such transfer shall occur on or before 1:00 p.m. on each appropriate Purchase Date or Mandatory Purchase Date (assuming with respect to any remarketing of Bank-

Owned Bonds (or portions thereof) for purposes of such transfer that such Bank-Owned Bonds bear interest at the rate at which the Series A Variable Rate Bonds (other than Bank-Owned Bonds) bore interest during the period that such Bank-Owned Bonds were held by or on behalf of the Bank). The Fiscal Agent shall upon receipt of such amounts immediately deposit such amounts to the credit of the Remarketing Proceeds Account pursuant to Section 21(a) below.

(c) Notice of Remarketing; Registration Instructions; New Series A Variable Rate Bonds. On each Purchase Date or Mandatory Purchase Date, as the case may be:

(i) Unless the Remarketing Agent has notified the Fiscal Agent otherwise, the Remarketing Agent shall notify the Fiscal Agent by Electronic Means not later than 11:30 a.m. of the aggregate principal amount of tendered Series A Variable Rate Bonds which were remarketed, the names of the tendering Owners and the registration instructions (i.e., the names, addresses and taxpayer identification numbers of the purchasers and the desired Authorized Denominations) with respect thereto;

(ii) the Authority shall execute and the Fiscal Agent shall authenticate new Series A Variable Rate Bonds in an aggregate principal amount equal to the principal amount set forth in paragraph (i) of this subsection (c), registered in the names of the respective purchasers thereof, regardless of whether the former Owners of the Series A Variable Rate Bonds (or portions thereof) being purchased have delivered such Bonds to the Fiscal Agent, which new Bonds shall be picked up by the Remarketing Agent not later than 1:30 p.m.;

(iii) if Series A Variable Rate Bonds are purchased by the Fiscal Agent for the benefit of the Bank under the Standby Agreement, the Authority shall execute and the Fiscal Agent shall authenticate new Series A Variable Rate Bonds in an aggregate principal amount equal to the Series A Variable Rate Bonds (or portions thereof) purchased with moneys described in Section 17(b) below, registered in the name of the Bank or its nominee for delivery in accordance with Section 18(b) below; and

(iv) an aggregate principal amount of Series A Variable Rate Bonds equal to the Bonds or portions thereof purchased with moneys described in Section 17(c) below shall be delivered to the Fiscal Agent for cancellation.

(d) Method of Purchasing of Bank Bonds. In the event that the moneys held to the credit of the Remarketing Proceeds Account on any Purchase Date or Mandatory Purchase Date shall be insufficient to purchase all tendered Series A Variable Rate Bonds on such Date, the Fiscal Agent will request funds under the Standby Agreement in an amount sufficient, together with the moneys then held to the credit of the Remarketing Proceeds Account, to purchase all such tendered Series A Variable Rate Bonds on such Date by providing written notice to the Bank on such date by 12:00 noon (New York City time) in the form of the Notice of Bank Purchase attached as Exhibit A to the Standby Agreement, in the case of a Purchase Date, or Exhibit B to the Standby Agreement, in the case of a Mandatory Purchase Date. No such Notice shall be provided in respect of any

Series A Variable Rate Bonds that are not also Eligible Bonds (as defined in the Standby Agreement). The Series A Variable Rate Bonds purchased with amounts made available under the Standby Agreement shall be registered in the name of the Bank or its designee and shall be held as Bank bonds in trust by the Fiscal Agent for the benefit of the Bank or such designee.

(e) Transfer of Funds. On each Purchase Date or Mandatory Purchase Date, as the case may be:

(i) the Remarketing Agent shall give notice to the Fiscal Agent of receipt of the aggregate Purchase Price of remarketed Bonds by 11:30 a.m.; and

(ii) the Fiscal Agent shall cause the Bank, in accordance with the procedures set forth in paragraph (d) above, to purchase at the Purchase Price all Series A Variable Rate Bonds tendered or deemed tendered less the aggregate amount of remarketing proceeds notice of the receipt of which was given to the Fiscal Agent by the Remarketing Agent pursuant to clause (i) of this Section 16(c) and shall deposit any moneys received from the Bank in respect of the payment of the Purchase Price in the Purchase Account of the Purchase Fund.

(f) Subsequent Remarketings. In the event that the Remarketing Agent is able to remarket any Series A Variable Rate Bonds (or portions thereof) required to be purchased pursuant to Sections 13 through 15 above after the time on which the Remarketing Agent is required to provide notice to the Fiscal Agent as specified in Section 16(c)(i), or in the event the Remarketing Agent is able to remarket any Bank-Owned Bonds (or portions thereof), the Remarketing Agent shall give to the Fiscal Agent notice by Electronic Means in the manner and containing the details set forth in Section 16(c)(i) (assuming with respect to any remarketing of Bank-Owned Bonds (or portions thereof) for purposes of such notice that such Bank-Owned Bonds bear interest at the rate at which the Series A Variable Rate Bonds (other than Bank-Owned Bonds) bore interest during the period that such Bank-Owned Bonds were held by the Bank or its nominee).

(g) No Reissuance Intended. It is the express intention of the Authority that any purchase, sale or transfer of Series A Variable Rate Bonds, as provided in this Appendix A, shall not constitute or be construed to be the extinguishment of any Series A Variable Rate Bonds or the indebtedness represented thereby or the reissuance of any Series A Variable Rate Bonds.

SECTION 17. Source of Funds for Purchase of Series A Variable Rate Bonds; Termination or Suspension of Obligation of Bank to Cause Moneys to be Deposited in Purchase Account.

(1) By the close of business on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Fiscal Agent shall purchase tendered Series A Variable Rate Bonds from the tendering Owners at the Purchase Price by wire transfer in immediately available funds. Funds for the payment of such Purchase Price shall be derived solely from the following sources in the order of priority indicated, and neither the Fiscal Agent nor the Remarketing Agent shall be obligated to provide funds from any other source:

- (a) immediately available funds on deposit in the Remarketing Proceeds Account;
- (b) immediately available funds on deposit in the Purchase Account; and
- (c) any other Seasoned Funds available therefor.

(2) Upon the occurrence of an Event of Termination specified in subsections (a) through (d) of Section 7-01 of the Standby Agreement (or the equivalent provisions, if any, of any agreement relating to an Alternate Liquidity Facility), the obligation of the Bank to provide moneys for deposit to the credit of the Purchase Account pursuant to Section 16(d) will terminate or be suspended without notice to the Fiscal Agent or the Owners.

SECTION 18. Delivery of Series A Variable Rate Bonds. On each Purchase Date or Mandatory Purchase Date, as the case may be, new Series A Variable Rate Bonds shall be delivered as follows:

(a) Subject to the provisions of paragraph (b) of this Section in respect of the remarketing of Bank-Owned Bonds, Series A Variable Rate Bonds sold by the Remarketing Agent and for which funds are on deposit as specified in Section 17(a) above shall be delivered by the Remarketing Agent to the purchasers of those Bonds by 3:00 p.m.; and

(b) Series A Variable Rate Bonds purchased by the Bank with moneys described in Section 17(b) above shall be delivered to the Bank or its nominee on or before 1:30 p.m. In respect of Bank-Owned Bonds purchased on a date other than a Principal Payment Date, the Fiscal Agent shall not authenticate any other Series A Variable Rate Bonds in lieu thereof until the Fiscal Agent receives notification from the Bank that the reduction in the Available Commitment in respect of such Bank-Owned Bonds has been reversed as provided in the Standby Agreement. Upon receipt of such notification the Fiscal Agent shall cancel such Bank-Owned Bonds in accordance with the provisions of Section 413 of the Bond Resolution.

SECTION 19. Undelivered Bonds. If Series A Variable Rate Bonds to be purchased are not delivered by the Owners to the Fiscal Agent by 12:00 noon on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Fiscal Agent shall hold any funds received for the purchase of those Bonds in trust in separate accounts and shall pay such funds to the former Owners of such Bonds upon presentation and surrender thereof. Such undelivered Series A Variable Rate Bonds shall cease to accrue interest as to the former Owners on the Purchase Date or the Mandatory Purchase Date, as the case may be, if such funds received for such purchase and held in trust shall be sufficient to pay the Purchase Price thereof, and moneys representing such Purchase Price shall be available against delivery of such Bonds at the corporate trust office of the Fiscal Agent in the Borough of Manhattan, City and State of New York; provided, however, that any funds which shall be so held by the Fiscal Agent and which remain unclaimed by the former Owner

of a Series A Variable Rate Bond not presented for purchase for a period of two (2) years after delivery of such funds to the Fiscal Agent shall be paid to the Authority or to such officer, board or body as may then be entitled by law to receive the same and thereafter the former Owner of such Bond shall look only to the Authority or to such officer, board or body, as the case may be, for payment and then only to the extent of the amounts so received without any interest thereon and the Fiscal Agent shall have no further responsibility with respect to such moneys.

SECTION 20. Election to Retain Series A Variable Rate Bonds to be Changed to Fixed Rate Mode. (a) The Owner of a Series A Variable Rate Bond subject to mandatory purchase pursuant to Section 14(b) upon a change to the Fixed Rate Mode may elect to retain such Bond (or a portion thereof in Authorized Denominations) after the Mandatory Purchase Date by giving an irrevocable written notice to the Fiscal Agent prior to 4:00 p.m. on the fifteenth (15th) day (or the next succeeding Business Day if such fifteenth (15th) day is not a Business Day) next preceding the Mandatory Purchase Date, which notice shall (i) state that the person delivering the notice is an Owner, (ii) specify the numbers and principal amount of Series A Variable Rate Bonds (or portions thereof) to be retained, (iii) acknowledge that such Owner has received the notice of Mode change, including the notice of the Indicative Rate(s) and expected Serial Maturities, if applicable, and (iv) direct the Fiscal Agent not to purchase the Series A Variable Rate Bonds (or portions thereof) so specified.

(b) Any such notice delivered to the Fiscal Agent shall be irrevocable and binding upon the Owner delivering the notice and upon subsequent Owners of such Bonds, including any Series A Variable Rate Bonds issued in exchange therefor or upon registration of transfer thereof.

(c) Not later than 11:00 a.m. on the Business Day following the receipt of an irrevocable written notice of an election described in this Section, the Fiscal Agent shall notify the Remarketing Agent, the Bank and the Authority by Electronic Means of the principal amount of Series A Variable Rate Bonds to be retained and shall promptly thereafter mail to the Remarketing Agent, the Bank and the Authority a copy of such notice.

SECTION 21. Purchase Fund. There is hereby established with the Fiscal Agent a special fund designated "Puerto Rico Highways and Transportation Authority Series A Variable Rate Bonds Purchase Fund" in which the Fiscal Agent shall establish two accounts to be known as the "Purchase Account" and the "Remarketing Proceeds Account". Amounts to the credit of the Purchase Fund shall be held by the Fiscal Agent in trust and applied as hereinafter provided and, pending such application, shall be subject to a lien and charge in favor of the Owners of the outstanding Series A Variable Rate Bonds, including Bank-Owned Bonds, and for the further security of such Owners until paid out as herein provided.

(a) Remarketing Proceeds Account. Upon receipt of the proceeds of a remarketing of Series A Variable Rate Bonds on any Purchase Date or Mandatory Purchase Date, the Fiscal Agent shall deposit such proceeds in the Remarketing Proceeds Account for application to the Purchase Price of the Series A Variable Rate Bonds. Notwithstanding the foregoing, upon the receipt of the

proceeds of a remarketing of Bank-Owned Bonds, the Fiscal Agent shall immediately pay such proceeds to the Bank to the extent of any amount owing to the Bank.

(b) Purchase Account. Upon receipt from the Bank of the immediately available funds under the Standby Agreement pursuant to Section 17(b) hereof, the Fiscal Agent shall deposit such money in the Purchase Account for application solely to the Purchase Price of the Series A Variable Rate Bonds to the extent that the moneys on deposit in the Remarketing Proceeds Account shall not be sufficient to pay the Purchase Price of such Series A Variable Rate Bonds in accordance with paragraph (a). Any amount deposited in the Purchase Account and not needed with respect to any Purchase Date or Mandatory Purchase Date for the payment of the Purchase Price for any Series A Variable Rate Bonds shall be immediately returned to the Bank.

(c) Investment. Amounts held in the Purchase Fund shall be held uninvested.

(d) Remaining Moneys. Any moneys remaining in the Remarketing Proceeds Account or the Purchase Account after making the payments specified in Section 17 shall be returned to the depositors thereof as promptly as practicable (and in the case of the Bank in immediately available funds) after 3:00 p.m. on any Purchase Date or Mandatory Purchase Date.

SECTION 22. No Commingling of Moneys in Purchase Fund; Authority Funds Not to be Deposited Therein. Amounts on deposit in the Purchase Account or the Remarketing Proceeds Account of the Purchase Fund shall not be commingled with any amounts held by the Fiscal Agent under this resolution, the Bond Resolution or otherwise. No funds provided by or on behalf of the Authority thereof shall be accepted for deposit to the credit of either of said Accounts, nor shall any such funds if deposited therein by mistake or otherwise be used for the payment of the Purchase Price of the Series A Variable Rate Bonds.

SECTION 23. Bank-Owned Bonds. (a) Notwithstanding anything to the contrary contained herein or in the Series A Variable Rate Bonds, Series A Variable Rate Bonds which are purchased by the Bank (herein called "Bank-Owned Bonds") shall be owned by the Bank and shall not be deemed to be paid by the Authority within the meaning of the Bond Resolution, and such Bank-Owned Bonds shall remain in full force and effect in all respects and shall bear interest at the Bank Interest Rate until such time as the principal of and interest on such Bonds is paid by the Authority to the Bank in the manner and in the amounts set forth in the Standby Agreement.

(b) All Bank-Owned Bonds purchased by the Bank pursuant to Section 16 above shall remain outstanding and unpaid until payment in full to the Bank of all amounts owing thereunder.

(c) In accordance with Section 16 above, Bank-Owned Bonds may be sold by the Remarketing Agent at a Purchase Price equal to the principal amount of such Bank-Owned Bonds plus accrued interest at the rate at which the Series A Variable Rate Bonds (other than Bank-Owned Bonds) bore interest during the period that such Bank-Owned Bonds were held by or on behalf of the Bank. The Fiscal Agent shall transfer to the Bank the proceeds from such sale deposited to the

Remarketing Proceeds Account in accordance with Section 21(a) above. If the amount so transferred shall be insufficient to reimburse the Bank for the interest accrued on such Bank-Owned Bonds through the date of sale, the Fiscal Agent shall withdraw from the Senior Bond Service Account and transfer to the Bank an amount equal to the difference in interest between the Bank Interest Rate on such Bank-Owned Bonds and the rate at which the Series A Variable Rate Bonds (other than Bank-Owned Bonds) bore interest during the period that such Bank-Owned Bonds were held by or on behalf of the Bank.

(d) Bank-Owned Bonds held by the Bank on the Stated Expiration of the Standby Agreement shall, subject to the terms and conditions of the Standby Agreement, bear interest during the Term Out Period at the Eurodollar Rate, as such terms are defined in the Standby Agreement. Such interest shall be payable on the last day of each Interest Period, as such term is defined in the Standby Agreement. Such Bank-Owned Bonds shall be redeemed in ten (10) equal principal amounts on a semi-annual basis, on each second Interest Payment Date with respect to such Bank-Owned Bonds, commencing on the second Interest Payment Date after the Stated Expiration Date.

Section 24. Alternate Liquidity Facility. At any time prior to the expiration of the Standby Agreement then outstanding, the Authority may at its option provide for the delivery to the Fiscal Agent of an Alternate Liquidity Facility providing for the payment of the Purchase Price of Series A Variable Rate Bonds (collectively, the "Alternate Liquidity Facility"). Any Alternate Liquidity Facility must be for a term at least as long as the remaining term of the Standby Agreement which is being replaced, and shall contain administrative provisions reasonably acceptable to the Fiscal Agent. The Authority shall give written notice of such delivery to the Fiscal Agent at least forty-five (45) days before its scheduled delivery. At least thirty (30) days before such scheduled delivery, notice of such proposed delivery stating the name of the provider of the Alternate Liquidity Facility, the proposed delivery date and (if such information has been provided to the Fiscal Agent) the ratings of such provider assigned by S&P and Moody's shall be given by the Fiscal Agent to the Owners by mail, postage prepaid.

The Fiscal Agent shall not accept delivery of any Alternate Liquidity Facility unless it shall have received on or prior to the delivery thereof the following documents:

- (1) an executed copy of the agreement relating to the Alternate Liquidity Facility;
- (2) an opinion of counsel or counsels to the effect that (A) either (i) the acceptance by the Fiscal Agent of the Alternate Liquidity Facility will not require that the Bonds or the Alternate Standby Agreement be registered under the Securities Act of 1933, as amended, or the qualification of any indenture under the Trust Indenture Act of 1939, as amended, or (ii) any registration statement required to be filed under the Securities Act of 1933, as amended, with respect to the Bonds or the Alternate Liquidity Facility is effective under such Act, and any such indenture has been duly qualified under the Trust Indenture Act of

1939, as amended, and (B) the Alternate Liquidity Facility is a legal, valid and binding obligation or agreement of the Bank;

(3) a Favorable Opinion of Bond Counsel;

(4) a Rating Confirmation Notice from Moody's if the Series A Variable Rate Bonds are then rated by Moody's, and S&P if the Series A Variable Rate Bonds are then rated by S & P;

(5) written evidence satisfactory to the Fiscal Agent of the purchase of all Bank-Owned Bonds, at a price equal to the principal amount thereof plus accrued and unpaid interest, and payment of all amounts owing to the Bank under the Standby Agreement; and

(6) such other documents and opinions as the Fiscal Agent may reasonably request.

If at any time prior to the expiration of the Standby Agreement there shall have been delivered to the Fiscal Agent an Alternate Liquidity Facility and the documents mentioned above, then the Fiscal Agent shall execute the agreement relating to the Alternate Liquidity Facility . The Fiscal Agent shall comply with the procedures set forth in any Standby Agreement relating to the termination thereof.

The Fiscal Agent shall not consent to any amendment or modification of any provision of the Standby Agreement which would reduce the amount of any payment required to be made thereunder to the Fiscal Agent, or would postpone the time of any such payment, or would alter the conditions under which any such payment is made, or any other amendment or modification which would adversely affect the security of the Owners of the Series A Variable Rate Bonds.

In the event of a default by the Bank, the Fiscal Agent is hereby authorized and required to enforce all of its rights in and under the Standby Agreement, by such actions, at law or in equity, as it deems necessary in order to protect the interest of the Owners of the Series A Variable Rate Bonds. No default by the Bank under the terms of its Standby Agreement shall relieve or reduce any obligations of the Authority under this resolution or the Bond Resolution.

SECTION 25. Concerning Tendered Series A Variable Rate Bonds. With respect to any Bonds or portions thereof required to be purchased pursuant to Sections 13 through 15 above as to which sufficient funds to accomplish such purchase are available to the Fiscal Agent at the respective times at which payment of the Purchase Price was to be made as provided herein:

(a) Such Bonds or portions thereof shall be deemed to have been purchased, for all purposes of this resolution, irrespective of whether or not such Bonds shall have been presented to the Fiscal Agent, and the former Owner or Owners of such Bonds shall have no claim under this resolution or otherwise for any amount other than the Purchase Price thereof (and in the same manner and to the same extent provided in Section 303 of the Bond

Resolution, to receive Series A Variable Rate Bonds for any unpurchased portion thereof), and such Bonds or portions thereof shall cease to be entitled to any lien, benefit or security under the Bond Resolution or this resolution.

(b) In the event that any Series A Variable Rate Bonds or portions thereof required to be purchased pursuant to Sections 13 through 15 shall not be presented to the Fiscal Agent, the Fiscal Agent shall segregate in the Remarketing Proceeds Account and the Purchase Account, as appropriate, and, subject to Section 19 of this Appendix A, hold the moneys for the Purchase Price of such Bonds or portions thereof in trust, uninvested and without liability for interest thereon, for the benefit of the former Owners of such Bonds, who shall, except as provided below, thereafter be restricted exclusively to such moneys for the satisfaction of any claim for the Purchase Price of such Bonds or portions thereof.
